In the fourth line of Section 5.014, between the words "shall be" and the words "subject to", insert the phrase "raised and kept in a safe and humane manner consistent with best agricultural practices, and shall be".

In Section 5.0141.2, after the phrase "which enclosure" and before the phrase "shall be set" insert the phrase "and any associated sheltering structure". Add the following sentence at the end of the section:

"Upon receipt of a signed affidavit from all owners of property affected by a setback, in which said owners agree to a specific modification, the Building Commissioner may vary the setback from the property lines in question for enclosures, and for sheltering structures within the height and setback limitations established for accessory structures under Section 6.15."

Article 34: I move in terms of the Article.

Article 35: Only if 34 passed and the petitioner did not move to dismiss 35 would the PB make the motion to dismiss, arguing that it would make no sense for Town Meeting to revisit an issue it had just decided—the discussion under Article 34 will necessarily involve discussion of the relative merits of 34 vs. 35.

If Article 34 fails, then the PB will move In terms of the Article.
