

# Required Map 2 Town of Amherst Environmental Justice Populations

Massachusetts Environmental Justice Criteria  
 Environmental Justice (EJ) populations are determined by identifying all Census 2000 block groups that meet any of the following criteria:  
 Income—Households earn 65% or less of statewide median household income  
 Minority Population—25% or more of residents belong to a minority group  
 Foreign-born—25% or more residents are foreign-born  
 English Proficiency—25% or more of residents lack English language proficiency
