## Dog Park Task Force

Review and Approve last meeting July 23rd Minutes Approved unanimously!

Project Update 5000 yards fill screened and partially brought to site. Wet soil delayed project. Will restart in Spring. Will order supplies over winter. Will try to get the rest of grading done before Swallow nesting time in July.

To do list:

### **Select Shade Color**

Discussion of color families for roof, shade to be either matching High School Colors, bright primary colors, or to match with landscape browns and greens or beige. Want to coordinate colors for the kiosk roof, fountain, waste pots, benches, and signage.

*Preference was for Brick Red sail and gunmetal grey posts is consensus at this time. Will reconsider at the next meeting with roof samples.*

Will check with Design Review board once we have all choices made.

### **Friends Group:**

Discussed timeline and will proceed as per previously outlined timeframe by Ana: Document reshared with all.

*Dec- June Develop Working Mission and Goals Leadership*

*June July Solicit Members*

*August Sept Strategic Planning*

*Sept.- November turnover organization*

Will begin by gathering missions from other friends groups. Ana has some previously gathered samples. Will take up Mission at the next meeting.

Will schedule the next meeting in Jan or Feb after Dave checks in with the Town Engineer. Will request bench colors etc.

Motion to adjourn, meeting concluded in record time!
