The Regional School District Planning Board meeting called to order at 7:06 p.m.

This meeting was posted as a Select Board meeting to enable all Select Board members to attend and offer comment freely that might be considered “deliberation.” Ms. Brewer is a member of the RSDPB and was part of deliberations with her colleagues on that body about the different model options under consideration for regionalizing elementary schools in Amherst, Pelham, Leverett and Shutesbury. Ms. Stein and Ms. O’Keeffe attended and did not participate.

This meeting was preceded by a 6:30 meeting of Amherst’s RSDPC, also posted as a Select Board meeting, but attendance by Select Board members did not reach a quorum

ADJOURN - The RSDPB meeting adjourned at 9:30 p.m.
