- 1800-1899: 519 Structures
- 1900 - 1949: 1145 Structures
- 1950 - 1959: 486 Structures
- 1960 - 1969: 1376 Structures
- 1970 - 1979: 1142 Structures
- 1980 - 1989: 963 Structures
- 1990 - 1999: 414 Structures
- 2000 - 2006: 434 Structures

Development years are based upon information collected from the Amherst Tax Assessment Database as of December, 2006. Each dot represents a building; development years for each dot were derived by overlaying building center points with the Town of Amherst Tax Parcel GIS data layer. Some outbuildings are included among the dots, and the dots are thus not meant to represent an exact quantity of structures.
