**OTHER HISTORIC PROJECTS**

- **PENDING.** The Town continues to apply to the Massachusetts Historical Commission for Survey & Planning grant funds.
- **West Cemetery Landscaping (FY10 CPA, $20,000)**
  > **UNDERWAY.** During the past two planting seasons, the Historical Commission has worked to plan for and plant historically-accurate plant materials in the oldest sections of West Cemetery. Future actions include developing design for additional plantings, pathways, and seating in the historic African-American section.
- **Civil War Tablets—Cleaning/conservation/engineering/design (FY10 CPA, $65,000)**
  > **PARTIALLY COMPLETED/UNDERWAY.** Conservation, cleaning, and secure crating of Amherst’s historic Civil War tablets completed. Historical Commission examining Town Hall sites. Remaining funds ($40,700) would pay for an engineering study of proposed tablet installation sites, design, and construction of appropriate display enclosures and interpretive materials.
- **Historic Preservation Restrictions and Appraisals (FY07 & FY08 CPA, $20,000)**
  > **PENDING.** $3,150 used for appraisals (Hills lots, Hawthorne house). As with similar funds for conservation purpose, these funds were appropriated to allow the Town to conduct appraisals, surveys, site analyses, or other actions between Town Meeting which will lead to acquisition of historic preservation restrictions on critical historic properties.

**Total funding (Historic & Housing only) $400,000**

- 120,000 Completed (30%)
- 240,000 Underway (60%)
