## **THE TOWN GOVERNMENT**

(ATM - March 20, 1939 - Art. 12)

### **RULES OF ORDER FOR TOWN MEETING**

(ATM - March 20, 1939 - Art. 12)

(STM – Oct. 27, 2003 – Art. 2)

(ATM – May 1, 2006 – Art. 7)

1. **CONSENT CALENDAR.** At least five business days prior to the opening of the first session of the Annual Town Meeting or any Special Town Meeting, the moderator shall propose to all members a “Consent Calendar” listing all articles and budget areas which, based on the records of recent town meetings, the moderator deems to be non-controversial. At the first session of the meeting, at the request of any five members present, any article or budget area shall be removed from the Consent Calendar so that it can be debated and voted upon in accordance with the provisions of these Rules of Order. All items remaining in the Consent Calendar shall then be voted upon by a single vote without debate.
2. Any motions shall be in writing if requested by the moderator.
3. Any question may be divided on call of a member when the sense will admit of such division.
4. **GREEN AND RED CARDS DURING DEBATE.** To assist the moderator in shaping an orderly and equitable debate, green and red cards shall be used by members to indicate a desire to speak for or against the current motion on the floor. A desire to speak without advocacy or to ask a question shall be indicated by a raising a hand without a green or red card.
5. When a question is under debate, the moderator shall receive no motion but to adjourn, to dismiss, for the previous question, to postpone for a day certain, to commit, or to amend, which several motions shall have precedence in the order herein mentioned. The meeting shall not vote to dismiss an article without having heard a voter speak in its favor, unless no one seeks to do so.
6. Following a motion under any article, the Moderator shall first recognize the proponent thereof to speak for up to five (5) minutes in favor of the motion, or with leave of Town Meeting, for additional time. Thereafter, and in the absence of leave of Town Meeting granting additional time, each subsequent speaker shall be limited to three (3) minutes. No person shall speak more than twice on the same subject, without leave of the meeting, except to raise a point of order or to answer a question.
7. When two or more motions are made with regard to the same subject relating to sums of money, numbers or times, the question shall first be put upon the largest sum or number, and the longest time.

8. VOICE VOTES, TALLIED VOTES, AND STANDING VOTES. All votes unless otherwise provided for by law shall in the first instance be taken by ‘ayes’ and ‘noes’ voice vote.

If any member questions the voice vote, or if a four-fifths or nine-tenths vote is required by statute and the vote is not unanimous, the vote shall be taken by counted standing vote. When a two-thirds vote is required by statute, a counted standing vote shall not be taken unless the voice vote is doubted by the moderator or questioned by a member.

If, within a short but reasonable period of time following the voice vote, which period of time shall be fixed by the moderator, any member requests a tally vote and if 14 members manifest their concurrence with that member, the vote of each member shall be tallied by the use of a color-coded (green for aye, red for no) cards. Each such card shall bear the member’s name and indicate his/her vote. Each member shall cast his/her own vote only. Such cards shall be collected and counted by the tellers, which count shall be determinative of the question.

9. A vote may be reconsidered only on motion of a member who did not vote with the minority. When a motion for reconsideration is decided that decision shall not be reconsidered, and no question shall be twice reconsidered.

10. A motion to dissolve shall be debatable, but a motion to adjourn to a day certain shall not be debatable.

11. No motion to dissolve a town meeting shall be in order until every article in the warrant therefor has been acted upon.

12. A registered voter of the town who ceased to be an elected town meeting member upon election as chair of the finance committee and who subsequently ceases to be a town meeting member at large upon ceasing to be chair of the finance committee shall be a town meeting member at large for a period ending on the date of the next annual town election.

13. After 10:00 PM, and in the absence of a majority vote of Town Meeting so permitting, no motion under any article other than the article then under debate may be made.

### **THE FINANCE COMMITTEE**

(ATM - March 20, 1939 - Art. 12)

1. There shall be a finance committee consisting of seven members to be appointed by the moderator. The members shall hold office for three years and their terms of office shall be so arranged that the terms of two members shall expire at the end of one year, and the terms of two members at the end of the next year, and the terms of three members at the end of the third year, the terms of such members to expire on June 30 of the third year following their appointment. After each June 30 the moderator shall appoint as many members to said committee as are necessary to replace members whose terms expired on that June 30 date. The moderator shall fill by appointment any vacancy in the membership of the committee.

2. The committee shall annually elect its own chairman, secretary, and other necessary officers.
3. It shall be the duty of this committee to investigate all proposals in the articles of the warrant for any town meeting that shall in any way affect the finances of the town and to recommend to the town at the time of said meeting a course of action thereon, and in general to make recommendations to the town in regard to any financial business of the town.
4. It shall have control of the Reserve Fund of the town, and make appropriations there from, in accordance with the provisions of Chapter 347 of the Acts of 1912, and of Chapter 645 of the Acts of 1913.

Nominations shall be accepted at a session of each Annual Town Meeting to be determined by the Moderator after consultation with the Town Clerk or at the Town Clerk’s Office prior to that session. Each Town Meeting Member shall cast a number of votes less than or equal to the number of seats available.

*Term of Office.* Committee members' terms shall begin upon the dissolution of the Town Meeting at which they were elected and expire upon the dissolution of the Annual Town Meeting of the second year following their election. Members shall be sworn in by the Town Clerk.

*Termination of Membership.* Membership on the Committee shall terminate when the member submits a letter of resignation to the Town Clerk or ceases to be a Town Meeting member.

*Committee Vacancies.* When a position on the Committee becomes vacant for any reason other than expiration of a term, the Moderator shall appoint, from among those unelected candidates of the most recent Committee election who are still Town Meeting members and still willing to serve, the candidate who received the highest number of votes in said election, ties to be resolved by a coin toss. If no unsuccessful candidate from the most recent election meets these qualifications, the Moderator shall appoint a Committee member from among the current Town Meeting members. Appointed Committee members shall serve the remainder of the uncompleted term.

**(c) Committee Internal Organization and Procedures: Officers, Subcommittees, Minutes**

*Officers.* Upon dissolution of each Annual Town Meeting, the Committee shall elect from their membership a chairperson, vice-chairperson, a clerk, and a stacker, to serve until the dissolution of the next Annual Town Meeting.

Subcommittees may include Town Meeting members who are not members of the Coordinating Committee. Each subcommittee shall be chaired by a member of the Coordinating Committee and appointed by the Chair of the Coordinating Committee.

*Minutes.* The Committee shall keep minutes of its proceedings and shall file these minutes with the Town Clerk. The proceedings of the subcommittees shall be rendered as reports to be included in the Committee's minutes.

## **CLASSIFICATION OF NEW BY-LAWS**

(ATM - March 20, 1939 - Art. 12)

1. As new by-laws are adopted by the town and become effective, the town clerk shall allocate each to an appropriate article in the scheme of town by-laws, giving it a suitable label if necessary, and numbering the sections thereof in continuation of the numbering of the sections of that article, or by affixing letters to a section number if the new by-law seems to belong in the middle of an article; and wherever in the new by-laws a reference is made to a section which will be misleading because of renumbering of the sections or because of incorporation of a new section in the old by-laws, the town clerk shall make such change in the reference as will make it apply to the section originally indicated, and shall cause a footnote to be printed on the same page with the reference, indicating which are the newly adopted sections, how they were originally numbered, and what was the wording in the reference as originally adopted.

## **SPECIAL BOARD OF APPEALS**

(ATM - May 21, 1951 - Art. 3)

1. The board of appeals established under the zoning by-law shall act as the board of appeals under General Laws, Chapter 41, Section 81R, and the provisions of the zoning by-law for associate members of said board shall be applicable when the board acts under said Chapter 41.

No violation of this section shall be deemed to have occurred if the owner/guardian or keeper of the offending animal promptly and voluntarily removes the animal waste.
- B. Violation of this section may be subject to a penalty of fifteen dollars (\$15.00) for each offense.
- C. This regulation shall not apply to a dog accompanying any handicapped person who, by reason of his/her handicap, is physically unable to comply with the requirements of this section.

**7. Cat Regulations**

- A. Cats shall be immunized against rabies and records kept in accordance with M.G.L. Chapter 140, Section 145B.
- B. The Health Director, Town Animal Inspector, Police Officers, and the Animal Welfare Officer shall enforce the provisions of this bylaw.

**8. Urban Livestock or Poultry Regulations**

The raising or keeping of livestock or poultry for private purposes as an incidental use by the owner(s) of any single-family residential property or on any parcel under one ownership with no more than three dwellings thereon, shall be permitted and regulated under the provisions of this bylaw and other applicable local and state regulations. The provisions of this bylaw shall not apply to farm properties or agricultural operations recognized under MGL Ch. 40A, Section 3.

- A. Regulations - All livestock or poultry governed by this by-law shall be raised and kept in a safe and humane manner, consistent with best agricultural practices and as required under all applicable state and local regulations. Best practice regulations for the raising and keeping of livestock or poultry in Amherst under this bylaw may be promulgated by the Health Director, following consultation with the Animal Welfare Officer and the Agricultural Commission. Said regulations shall be published and otherwise made available to members of the public and prospective registrants.

Best practice regulations shall include, but are not limited to, the following minimum standards:

- 1) Enclosure & Shelter. Domesticated fowl or rabbits shall be confined with fencing or other enclosure sufficient to prevent access to the animals by dogs or other predators, which enclosure shall contain a minimum of ten (10) square feet of open area per adult animal. Within or attached to any such enclosure shall be provided a covered, predator-proof shelter or roosting structure (e.g. coop, dovecote, hutch, or shed, as appropriate) that is thoroughly ventilated, of sufficient size to admit free movement of the animals, designed to be easily accessed, cleaned and maintained by the owners, and at least 2 square feet per animal in size. As appropriate to the species, animals may be required to be shut into the shelter coop at night, from sunset to sunrise.
- 2) Feed Storage. Feed shall be stored in a secure, rodent- and predator-proof container in a manner that will not attract pests.
- 3) Waste. Accumulated waste shall be stored in a covered container and removed from the property at suitable intervals, or composted on site in a manner that will not attract pests or promote disease. No animal manure may be put into household trash. Applicants must have a compost bin set up at the time of any inspection.
- 4) Odors & Noise. Odors from domesticated fowl and rabbits, their waste, compost, or other related substances shall not be perceptible at the property boundaries. It shall be a violation of these regulations for the owner, custodian, or keeper of any animal governed under these regulations to allow the animal(s) to be a nuisance to any neighbors, including but not limited to: noxious odors from the animals or their enclosure; and noise of a loud and persistent and habitual nature. Complaint shall be to the Health Director.

The Animal Welfare Officer may interpret these standards and apply stricter standards, as authorized under state law.

- B. Registration & Inspections - Prior to acquiring livestock or poultry, the property owner shall register with the Amherst Health Department an application describing fully and accurately their proposal to raise and keep livestock or poultry, and registering the property involved. The Health Director may require that such applications be made on forms provided by the Amherst Health Department. All registration applications shall be reviewed and approved, denied, or approved with conditions by the Health Director after consultation with the Animal Welfare Officer. Any approved registrant shall thereafter abide by the provisions of the best practice regulations established hereunder and any specific conditions imposed under the approval, and shall permit annual inspections and such other inspections of the premises as may be required by the Animal Welfare Officer under the provisions of MGL Ch. 129, Section 7.
- C. Fees - Under the provisions of MGL. Ch. 40, Section 22F, the Health Director is authorized to set reasonable fees for registration and such inspections as may be required. There shall be no reimbursement or pro-rating of application or inspection fees.

- D. Notice – Except as provided for under Section F., as part of every application made under these regulations, an applicant shall provide a copy of a certified abutter’s list obtained from the Assessor and written notice of their intent to raise or keep livestock or poultry, to be sent by the Health Department by standard mail to parties in interest as required under MGL Ch. 40A, Section 11. The notice shall fully and accurately describe the location and the proposed number and type of animals, as well as all associated structures and facilities. The notice shall also indicate that abutters have the right to file with the Health Director written comments in support of or objecting to the application, and shall indicate the deadline for submission of comments.
- E. Administrative Hearing - Where no special permit will be required under Amherst’s zoning for the keeping or raising of animals for which application is also being made under these regulations, the Health Director shall not act on said application until more than fourteen (14) working days have passed since the mailing of notice to abutters. If at the end of that period the Health Director has received written comments whereby the owners of a majority of the abutting properties have expressed objection to the application, the Director shall schedule and hold, within thirty (30) days of the deadline for receiving abutter comment, an administrative hearing for the purpose of taking public testimony regarding the proposal. The Director shall give written notice of the time and place of the hearing, not less than seven (7) days prior to the hearing, to the applicant by certified mail, to abutters and parties in interest by mail, by posting with the Town Clerk, and by publication once in a newspaper of local circulation. Failure to hold an administrative hearing within the specified time period shall be considered to constitute a constructive grant of approval of the application.
- F. Exception - No certified abutters list, nor any notice to abutters, nor an administrative hearing shall be required in those instances where a special permit will also be required under Amherst’s Zoning Bylaw for the keeping or raising of animals subject to an application under this bylaw.
- G. Decision – Following the close of an administrative hearing, the Health Director shall within five (5) working days render a decision in writing based upon compliance of the proposal with best practices and such other factors of public health and welfare as the Director may deem appropriate. In approving an application, the Health Director may, following consultation with the Animal Welfare Officer, impose any reasonable conditions, safeguards and limitations including conditions above and beyond those specified in the best practices regulations developed under this section, all as in compliance with existing zoning and other regulations.
- H. Violations – Violation of this section may be subject to a penalty of \$25.00 for each offense, with each day the violation continues constituting a separate offense.
- I. Enforcement – Enforcing persons shall be the Animal Welfare Officer, the Health Director, or the Health Inspector/Sanitarian.

A person who owns or is in control of any goat, sheep, swine, horse, cow, other neat cattle, or fowl, shall not permit such animal to go at large in any of the streets, commons or parks of this town, and shall not drive or lead such animal along or upon any of the sidewalks, parks or commons of this town, except in the case of sidewalks for the purpose of immediately crossing the same. The provisions of this bylaw shall be deemed severable, so that the invalidity of any one provision of the bylaw shall not affect the validity of another provision, and if any part of this bylaw shall be adjudged unconstitutional, inconsistent with state law, or otherwise invalid, such judgment shall not affect any other valid part of this bylaw.

**12. Non-Criminal Disposition**

Any enforcing person, as set forth below, taking cognizance of a violation of this bylaw, may, as an alternative to initiating criminal proceedings, enforce this bylaw non-criminally pursuant to M.G.L. **DOG WELFARE**

(STM – November 10, 2013 – Art. 13)

In order to enhance the quality of life of citizens and dogs in the Town of Amherst, and to protect the general public from damage and nuisance that may be caused by dogs confined outdoors, this bylaw regulates the confinement and tethering of dogs.

**Prolonged Confinement of Dogs Outside**

**(A) Prolonged Chaining or Tethering of Dogs is Prohibited.**

No person owning or keeping a dog in the town shall chain or tether a dog to a stationary object including but not limited to any structure, dog house, pole or tree for longer than eight (8) total hours in any 24-hour period. Any tethering employed shall not allow the dog to leave the

owner/guardian's or keeper's property. The tether must be designed for dogs (e.g., logging chains and other lines or devices not for the purpose of tethering dogs may not be used). No chain or tether shall weigh more than one-eighth (1/8) of the dog's body weight. Nothing in this section shall be construed as prohibiting a person from walking a dog on a hand-held leash.

No dog under the age of six (6) months shall be tethered outside for any length of time.

**(B) Permissible Outside Confinement.**

A person owning or keeping a dog in the town may confine such dog outside, subject to the restrictions stated elsewhere in this by-law, through the use of any of the following three methods:

(1) Inside a pen or secure enclosure, if the following conditions are met:

- (a) The pen or secure enclosure has adequate space for exercise with a dimension of at least one hundred (100) square feet. Commercial dog kennels with pens intended for the temporary boarding of dogs are exempt from this requirement.
- (b) The pen or secure enclosure is constructed with chain link or other similar material as determined by the Building Inspector, with all four (4) sides enclosed.
- (c) The minimum height of the fence is adequate to successfully confine the dog.

(2) A fully fenced, electronically fenced, or otherwise securely enclosed yard, wherein a dog has the ability to run but is unable to leave the enclosed yard.

(3) A trolley system or a tether attached to a pulley on a cable run, if the following conditions are met:

- (a) Only one dog may be tethered to each cable run.
- (b) The tether must be attached to a properly fitting collar or harness worn by the dog, with enough room between the collar and the dog's throat through which two (2) adult fingers may fit. Choke collars and pinch collars are prohibited for the purposes of tethering a dog to a cable run.
- (c) There must be a swivel on at least one end of the tether to minimize tangling of the tether.
- (d) The tether and cable run must each be at least ten (10) feet in length. The cable must be mounted at least four (4) feet but not more than seven (7) feet above ground level.
- (e) The length of the tether from the cable run to the dog's collar or harness must allow continuous access to clean water and appropriate shelter at all times as described in paragraph (C) of this bylaw. The trolley system or tether must be of appropriate configuration to confine the dog to the owner/guardian's or keeper's property, to prevent the trolley system or tether from extending over an object or an edge that could result in injury or strangulation of the dog, and to prevent the trolley system or tether from becoming tangled with other objects or animals.

**(C) Access to Water and Shelter.**

Any person owning or keeping a dog in the town confined outside in accordance with Paragraph (B) of this section must provide the dog with access to clean water and an appropriate

dog shelter. The dog shelter must allow the dog to remain dry and protected from the elements. Such shelter shall be fully enclosed on at least three sides, roofed, and have a solid floor. The entrance to the shelter shall be flexible to allow the dog's entry and exit, and sturdy enough to block entry of weather elements. The shelter shall contain clean bedding and be small enough to retain the dog's body heat and large enough to allow the dog to stand, lie down, and turn comfortably. The enclosure shall be structurally sound and in good repair. Suitable drainage must be provided so that water, ice, or waste is not standing in or around the shelter.

**(D) No Outside Confinement at Night.**

No person owning or keeping a dog in the town may leave a dog chained, tethered or confined outside between the hours of 11:00 p.m. and 7:00 a.m.

**(E) Exceptions to Outdoor Confinement.**

Exceptions to the above restrictions on outdoor confinement shall be made for dogs actively engaged in conduct directly related to the business of shepherding or herding cattle or other livestock or conduct that is directly related to the business of cultivating agricultural products, if the restraint is reasonably necessary for the safety of the dog.

**(F) Cruel Conditions and Inhumane Chaining or Tethering are Prohibited.**

No person owning or keeping a dog in the town may subject the dog to cruel conditions or inhumane chaining or tethering at any time. Cruel conditions and inhumane chaining or tethering are defined but not limited to the following conditions:

- (1) Filthy and dirty confinement conditions, including but not limited to exposure to excessive animal waste, garbage, dirty water, noxious odors, dangerous objects that could injure or kill the dog upon contact, or other circumstances that could cause harm to the dog's physical or emotional health.
- (2) Taunting, prodding, hitting, harassing, threatening or otherwise harming a tethered or confined dog.
- (3) Subjecting the dog to dangerous conditions, including attack by other animals.

**(G) Violations and Penalties**

Any person owning or keeping a dog in the town who violates any provisions of this ordinance are subject to the following penalties and enforcement actions:

- (1) First violation. Violator will be subject to a warning only unless the town deems conditions warrant a penalty, in which case the violator will be subject to a fine of fifty dollars (\$50.00) and must meet remediation requirements set forth by the town no later than ten (10) calendar days after the violation. Failure to satisfy the conditions of the first violation shall immediately subject the violator to a second violation.
- (2) Second violation. Violator will be subject to a fine of one hundred dollars (\$100.00) and must meet remediation requirements set forth by the town no later than ten (10) calendar days after the violation. Failure to satisfy the conditions of the second violation shall immediately subject the violator to a third violation.

- (3) Third violation. Violator will be subject to a fine of three hundred dollars (\$300.00), impoundment of the dog in the town's shelter at the owner/guardian's expense pending compliance with the by-law, and potential loss of ownership of the dog.

- (b) The person or persons residing on or otherwise in control of the property where such gathering took place.
- (c) The person or persons who organized or sponsored such gathering.
- (d) All persons attending such gatherings who engage in any activity resulting in the public nuisance.

## §7. Enforcement

This bylaw shall be enforced by criminal complaint in the District Court. Violations shall be punishable by a fine of \$300.00. In the alternative it may be enforced by the noncriminal disposition process of M.G.L. c.40 Section 21D. For the purpose of noncriminal enforcement, the enforcing persons shall be any police officer of the Town of Amherst. If enforced pursuant to noncriminal disposition, the following fines shall apply:

First offense: \$300

Second offense: \$300

Third and subsequent offense: \$300

The Town of Amherst shall additionally seek administrative costs and response costs associated with enforcement of Sections 2 and 3, through all remedies or procedures provided by state or local law.

Sections 2 and 3 shall not limit the authority of police officers to make arrests for any criminal offense arising out of conduct regulated by Sections 2 and 3, nor shall they limit the Town of Amherst or the Commonwealth of Massachusetts' ability to initiate and prosecute any criminal offense arising out of the same circumstances necessitating the application of Sections 2 and 3.

## §8. Local Authority and Severability

No provision of this bylaw shall apply where prohibited or preempted by state or federal law.

If any provision of this ordinance, or the application thereof to any person or circumstances, is declared invalid, that invalidity shall not affect other provisions or applications of this ordinance which can be given effect without the invalid provisions or application, to this end the provisions of this ordinance are severable.

## **BAN OF EPS FOAM IN FOOD ESTABLISHMENTS AND TOWN FACILITIES**

**(STM – November 19, 2012 - Art. 9)**

### **SECTION 1 PURPOSE**

This bylaw is enacted pursuant to the general police power in order to protect the health, safety and welfare of the inhabitants of the Town.

### **SECTION 2 EFFECTIVE DATE**

This bylaw shall take effect on January 1, 2014.

### **SECTION 3 FINDINGS**

Expanded polystyrene food containers form a significant portion of the solid waste stream going into our landfills. Local landfills are running out of room; our future solid waste may have to be transported hundreds of miles to a landfill at considerable cost.

Expanded polystyrene food containers are not recyclable, nor are they biodegradable. Once buried in our landfills, they will persist for centuries.

Styrene, the key ingredient in expanded polystyrene, was recently added to the National Toxicology Program's list of carcinogens (U.S. Department of Health and Human Services). Styrene can leach from polystyrene containers into food and beverages.

Many communities in the United States have banned expanded polystyrene food containers, including Seattle WA, Freeport Maine, Great Barrington MA and Nantucket MA.

Approximately 60% of Amherst food establishments have already stopped using expanded polystyrene food containers.

University of Massachusetts/Amherst, Amherst College, and Hampshire College food services have eliminated single-use expanded polystyrene food containers from their dining halls.

Appropriate alternative products are readily available from the vendors used by local food establishments; cooperative bulk buying arrangements are possible.

Thus, elimination of expanded polystyrene food containers is in the best interest of the health and welfare of Town inhabitants.

#### SECTION 4 DEFINITIONS

“Disposable Food Service Container” means single-use disposable products for serving or transporting prepared, ready-to-consume food or beverages. This includes but is not limited to plates, cups, bowls, trays and hinged or lidded containers. This definition does not include single-use disposable items such as straws, cup lids, or utensils, nor does it include single-use disposable packaging for unprepared foods.

“Food Establishment” means an operation that stores, prepares, packages, serves, vends, or otherwise provides food for human consumption, as further defined in 105 CMR 590.002. Any establishment requiring a permit to operate in accordance with the State Food Code, 105 CMR 590.000, et. seq., shall be considered a Food Establishment for purposes of this bylaw.

“Expanded Polystyrene” (EPS) means polystyrene that has been expanded or “blown” using a gaseous blowing agent into a solid foam.

“Polystyrene” means expanded polystyrene which is a thermoplastic petrochemical material utilizing a styrene monomer and processed by any number of techniques including, but not limited to, fusion of polymer spheres (expandable bead polystyrene), injection molding, form molding, and extrusion-blow molding (extruded foam polystyrene). The term “polystyrene” also includes clear or solid polystyrene which is known as “oriented polystyrene”.

“Prepared Food” means any food or beverage prepared for consumption on the Food Establishment’s premises, using any cooking or food preparation technique. This does not include any raw uncooked meat, fish or eggs unless provided for consumption without further food preparation.

“Town Facility” means any building, structure, land or park owned or operated by the Town of Amherst, its agents and departments.

“Town Facility Users” means all persons, societies, associations, organizations or special event promoters who require a permission to use a Town Facility. Town Facility Users also includes concession contracts with the Town, Town-managed concessions, Town-sponsored events and food services provided at the Town’s expense.

#### SECTION 5 PROHIBITION

A. Except as provided herein, Food Establishments are prohibited from dispensing Prepared Food to customers in Disposable Food Service containers made from Expanded Polystyrene.

B. Town Facility Users are prohibited from dispensing Prepared Food to customers in Disposable Food Service containers made from Expanded Polystyrene.

## SECTION 6 DEFERMENTS

A. Upon written application, the Board of Health, after a public hearing, may defer application of this Bylaw for a Food Establishment for a one year period, upon a showing by the Food Establishment that the conditions of this Bylaw would cause undue hardship. For purposes of this Bylaw, an “undue hardship” is a situation unique to the Food Establishment where there are no reasonable alternatives to the use of expanded polystyrene disposable food service containers and compliance with this provision would cause significant economic hardship to that Food Establishment.

B. A Food Establishment granted a deferment by the Town must reapply prior to the end of the one year exemption period and demonstrate continued undue hardship, if it wishes to have the deferment extended. Deferments may only be granted for intervals not to exceed one year.

C. A deferment granted in accordance with this Section may be extended for no more than one additional one year period, upon written application to the Board of Health at least two months prior to the expiration of the first deferment period and upon a showing that the circumstances justifying the deferment continue to exist.

D. A deferment application shall include all information necessary for the Town to make its decision, including, but not limited to, documentation showing the factual support for the claimed deferment. The Board of Health may require the applicant to provide additional information to permit it to determine facts regarding the deferment application.

E. The Board of Health may approve the deferment application, in whole or in part, with or without conditions that it deems necessary to protect the public health and further the interests of this Bylaw.

F. Deferment decisions are effective immediately and final.

## SECTION 7 ENFORCEMENT

A. The Health Department or its designee shall inquire on an annual basis regarding any food establishment’s compliance with this bylaw as a condition for renewal of the establishment’s food service permit.

B. The Board of Health, after a hearing conducted in accordance with the procedures set forth in 105 CMR 590.14 and 105 CMR 590.15, may suspend or revoke the food service permit for any establishment failing to comply with this bylaw.

C. The Health Department or its designee shall have primary responsibility for enforcement of this provision and shall have authority to issue citations for violation(s). The Health Department or its designee is authorized to establish regulations or administrative procedures and to take any and all actions reasonable and necessary to further the purposes of this chapter or to obtain compliance with this chapter, including, but not limited to, inspecting any vendor’s premises to verify compliance in accordance with applicable law.

D. The Health Department may enforce this by-law or enjoin violations thereof through any lawful process, and the election of one remedy by the Health Department shall not preclude enforcement through any other lawful means.

E. Penalties and Fines for Violations

Violations of this ordinance may be enforced as follows:

1. This bylaw shall be enforced by the Health Department or its designee, including the Department of Public Works. Whoever violates any provision of this bylaw may be penalized by a non-criminal disposition process as provided in G.L. c.40, §21D and the Town's non-criminal disposition bylaw. If non-criminal disposition is elected, then any person who violates any provision of this bylaw shall be subject to the following penalties:

For the first violation, the Health Department or its designee, upon determination that a violation has occurred, shall issue a written warning notice to the food establishment which will specify the violation and the appropriate penalties in the event of future violations.

Thereafter, the following penalties shall apply:

(a). A fine of one hundred dollars (\$100.00) for the first violation following the issuance of a warning notice.

(b). A fine of two hundred and fifty dollars (\$250.00) for the second and any other violation that occurs following the issuance of a warning notice.

2. Fines are cumulative and each day or portion thereof shall constitute a separate offense. If more than one, each condition violated shall constitute a separate offense.

3. Whoever violates any provision of this bylaw may be penalized by indictment or on complaint brought in the district court. Except as may be otherwise provided by law and as the district court may see fit to impose, the maximum penalty for each violation or offense shall be three hundred dollars.

## **PUBLIC WORKS**

1. **Disturbing Highway Surface or Curbing** (STM - November 3, 1969 - Art. 17)

No person shall make any excavation in any public way, disturb its curbing or pavement, pave any unpaved portion thereof, or remove earth or gravel therefrom, without first obtaining a written permit therefor from the town manager, and no person who has received such a permit shall violate any restrictions or conditions contained therein.

2. **Driveway Entrance Permits** STM - November 3, 1969 - Art. 17)

No person shall construct or alter that portion of any driveway lying within a way in town over which the public has a right to travel without first securing a permit therefor from the town manager who shall issue the permit if the proposal conforms generally to the standards of the Massachusetts Department of Public Works as to driveways connecting with state highways; and no person having secured such a permit shall depart from such standards in constructing or altering such driveway entrance.

Whoever violates section 1 and 2 of the foregoing shall pay a fine of not more than \$200.00 for each violation.

**FINES AND LIMITATIONS**  
(ATM - March 20, 1939 - Art. 12)

1. No prosecution for violations pertaining to Article II (except Dog Regulations) shall be commenced after sixty (60) days from the commission thereof.

**WETLANDS PROTECTION**  
(ATM - April 27, 1987 - Art. 54)  
(ATM - April 28, 1999 - Art. 30)  
(ATM – May 2, 2011 – Art. 26)

**I. Purpose**

The purpose of this bylaw is to protect the wetlands, water resources, and adjoining land areas in the Town of Amherst by controlling activities deemed by the Conservation Commission likely to have a significant or cumulative effect upon resource area values, including but not limited to the following: public and private water supply, groundwater, flood control, erosion and sedimentation control, storm damage prevention, water quality, water pollution prevention, wildlife habitat, rare species habitat including rare plant species, agriculture, aquaculture, and recreation values, deemed important to the community (collectively, the “resource area values protected by this bylaw”). This bylaw is intended to utilize the Home Rule authority of this municipality to protect additional resource areas, for additional values, with additional standards and procedures stricter than those of the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations thereunder (310 CMR 10.00 et seq.).

**II. Jurisdiction**

Except as permitted by the Conservation Commission or as provided in this bylaw, no person shall commence to remove, fill, dredge, build upon, degrade, discharge into, or otherwise alter the following resource areas: any freshwater wetland; marsh; wet meadow; bog; swamp; isolated wetland; vernal pool; bank; reservoir; pond; river; perennial stream; intermittent stream; watercourse; water within water bodies; land under water bodies; land subject to flooding or inundation by groundwater, surface water, or storm flowage; and land abutting any of the

aforesaid resource areas as set out in VII.4 below (collectively the “resource areas protected by this bylaw”). Said resource areas shall be protected whether or not they border surface waters.

### **III. Conditional Exceptions**

The application and permit required by this bylaw shall not be required for maintaining, repairing, or replacing, but not substantially changing or enlarging, an existing and lawfully located structure or facility used in the service of the public to provide electric, gas, telephone, telegraph, or other telecommunication services, or sanitary or storm sewers, provided that written notice has been given to the Commission prior to the commencement of work, and provided that the work conforms to performance standards and design specifications in regulations adopted by the Commission.

The application and permit required by this bylaw shall not be required for work performed for normal maintenance or improvement of land which is lawfully in agricultural use at the time the work takes place.

The application and permit required by this bylaw shall not be required for emergency projects necessary for the protection of the health or safety of the public, provided that the work is to be performed by or has been ordered to be performed by an agency of the Commonwealth or a political subdivision thereof; provided that advance notice, oral or written, has been given to the Commission, prior to commencement of the work or within 24 hours after commencement; provided that the Commission or its agent certifies the work as an emergency project; provided that the work is performed only for the time and place certified by the Commission for the limited purposes necessary to abate the emergency; and provided that within 21 days of commencement of an emergency project a permit application shall be filed with the Commission for review as provided by this bylaw. Upon failure to meet these and other requirements of the Commission, the Commission may, after notice and a public hearing, revoke or modify an emergency project approval and order restoration and mitigation measures.

The application and permit required by this bylaw shall not be required for exemptions under the Rivers Act (310 CMR 10.58).

Other than stated in this section, the exceptions provided in the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.) shall not apply under this bylaw.

### **IV. Applications for Permits (Notice of Intent or NOI) and Requests for Determination (RFD)**

Written application shall be filed with the Commission to perform activities affecting resource areas protected by this bylaw. The permit application shall include such information and plans as are deemed necessary by the Commission to describe proposed activities and their effects on the resource areas protected by this bylaw. No activities shall commence without receiving and complying with a permit issued pursuant to this bylaw.

The Commission in an appropriate case may accept as the permit application and plans under this bylaw the Notice of Intent and plans filed under the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.).

Any person desiring to know whether or not a proposed activity or an area is subject to this bylaw may request in writing a determination from the Commission. Such a Request for Determination (hereafter RFD) shall include information and plans as are deemed necessary by the Commission.

At the time of a permit (NOI) or RFD Application, the applicant shall pay a filing fee specified in the Regulations of the Commission. The fee is in addition to that required by the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.). The filing fee shall be commensurate with the reasonable expenses incident to the licensing.

Upon receipt of a permit application or RFD, or at any point during the hearing process, the Commission is authorized to require an applicant to pay a fee for the reasonable costs and expenses borne by the Commission for specific expert engineering and other consultant services deemed necessary by the Commission to come to a final decision on the application. This fee is called the "consultant fee." The specific consultant services may include, but are not limited to, performing, or verifying the accuracy of, resource area survey and delineation; analyzing resource area functions and values, including wildlife habitat evaluations, hydrogeologic and drainage analysis; and researching environmental or land use law.

The Commission may require the payment of the consultant fee at any point in its deliberations prior to a final decision. Any unused portion of the consultant fee shall be returned to the applicant unless the Commission decides at a public meeting that additional services will be required.

The Commission may waive the filing fee, consultant fee, and costs and expenses for a permit application or RFD filed by a government agency.

## **V. Notice and Hearings**

Any person filing a permit application or a RFD with the Commission at the same time shall give written notice thereof, by certified mail (return receipt requested), or certificates of mailing, or hand delivered, to all abutters at their mailing addresses shown on the most recent applicable tax list of the assessors, including owners of land directly opposite on any public or private street or way, and abutters to the abutters within 300 feet of the property line of the applicant, including any in another municipality or across a body of water.

The notice to abutters shall have enclosed a copy of the permit application or request, with plans, or shall state where copies may be examined and obtained by abutters. An affidavit of the person providing such notice, with a copy of the notice mailed or delivered, shall be filed with the Commission. When a person requesting a determination is other than the owner, the request, the notice of the hearing, and the determination itself shall be sent by the Commission to the owner as well as to the person making the request.

The Commission shall conduct a public hearing on any permit application or RFD, with written notice given at the expense of the applicant, five business days prior to the hearing, in a newspaper of general circulation in the Town of Amherst.

The Commission shall commence the public hearing within 21 days from receipt of a completed permit application or RFD unless an extension is authorized in writing by the applicant.

The Commission shall issue its permit or determination in writing within 21 days of the close of the public hearing thereon unless an extension is authorized in writing by the applicant.

The Commission in an appropriate case may combine its hearing under this bylaw with the hearing conducted under the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.).

The Commission shall have the authority to continue the hearing to a certain date announced at the hearing or to an unspecified date, for reasons stated at the hearing, which may include the anticipated or requested receipt of additional information from the applicant or others deemed necessary by the Commission in its discretion, or comments and recommendations of the boards and officials listed in VI below. If the hearing is postponed to an unspecified date, the applicant is responsible for the expense of advertising the rescheduled hearing, such notice to appear five business days prior to the hearing, in a newspaper of general circulation in the Town of Amherst. In addition, the applicant must send written notice of the rescheduled hearing to any person who has requested it.

#### **VI. Coordination with Other Boards**

Any person filing a permit application or RFD with the Commission shall provide a copy thereof at the same time, by certified mail (return receipt requested), or certificates of mailing, or hand delivery, to the zoning board, planning board, health inspections, town engineer and building commissioner.

A copy shall be provided in the same manner to the Conservation Commission of the adjoining municipality, if the application or RFD pertains to property within 300 feet of that municipality. An affidavit of the person providing notice, with a copy of the notice mailed or delivered, shall be filed with the Commission. The Commission shall not take final action until the boards and officials have had 14 days from receipt of notice to file written comments and recommendations with the Commission, which the Commission shall take into account but which shall not be binding on the Commission. The applicant shall have the right to receive any comments and recommendations, and to respond to them at a hearing, prior to final action.

#### **VII. Permits and Conditions**

The Commission shall have the authority, after a public hearing, to determine whether a specific parcel of land contains or does not contain resource areas protected under this bylaw. If the Commission finds that no such resource areas are present, it shall issue a negative determination.

If the Commission, after a public hearing, determines that the activities which are subject to the permit application, or the land and water uses which will result therefrom, are likely to have a significant individual or cumulative effect upon the resource area values protected by this bylaw, the Commission, within 21 days of the close of the hearing, shall issue or deny a permit for the activities requested. If it issues a permit, the Commission shall impose conditions which the Commission deems necessary or desirable to protect those values, and all activities shall be done in accordance with those conditions. The Commission shall take into account the cumulative adverse effects of loss, degradation, isolation, and replication of protected areas throughout the community and the watershed, resulting from past activities, permitted and exempt, and foreseeable future activities.

The Commission is empowered to deny a permit for failure to meet the requirements of this bylaw; for failure to submit necessary information and plans requested by the Commission; for failure to meet the design specifications, performance standards, and other requirements in regulations of the Commission; for failure to avoid or prevent unacceptable significant or cumulative effects upon the resource area values protected by this bylaw; and where no conditions are adequate to protect those values. Due consideration shall be given to any demonstrated hardship on the applicant by reason of denial, as presented at the public hearing.

Lands within 200 feet of rivers and within 100 feet of other resource areas, are presumed important to the protection of these resources because activities undertaken in close proximity to resource areas have a high likelihood of adverse impact upon the wetland or other resource, either immediately, as a consequence of construction, or over time, as a consequence of daily operation or existence of the activities. These adverse impacts from construction and use can include, without limitation, erosion, siltation, loss of groundwater recharge, poor water quality, and loss of wildlife habitat. The Commission therefore may require that the applicant maintain a strip of continuous, undisturbed vegetative cover within, or in some instances up to the full extent of the 200-foot or 100-foot buffer area, unless the applicant convinces the Commission that the area or part of it may be disturbed without harm to the values protected by the bylaw.

To prevent wetlands loss, the Commission shall require applicants to avoid wetlands alteration wherever feasible; shall minimize wetlands alteration; and, where alteration is unavoidable, shall require full mitigation. The Commission may authorize or require replication of wetlands on a two-to-one basis as a form of mitigation, but only with adequate security, professional design, and monitoring to assure success, because of the high likelihood of failure of replication.

A permit shall expire three years from the date of issuance. Notwithstanding the above, the Commission at its discretion may issue a permit expiring five years from the date of issuance for recurring or continuous maintenance work, provided that annual notification of time and location of work is given to the Commission prior to such work. Any permit may be renewed once for an additional one year period, provided that a request for a renewal is received in writing by the Commission prior to expiration. Notwithstanding the above, a permit may contain requirements which shall be enforceable for a stated number of years, indefinitely, or until permanent protection is in place, and shall apply to all owners of the land.

For good cause the Commission may revoke or modify a permit or determination issued under this bylaw after public notice to the holder of the permit or determination, notice to the public and town boards, pursuant to V and VI above, and a public hearing.

The Commission in an appropriate case may combine the permit or determination issued under this bylaw with the Order of Conditions or Determination of Applicability issued under the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.).

No work proposed in any permit application shall be undertaken until the permit issued by the Commission with respect to such work has been recorded in the registry of deeds or, if the land affected is registered land, in the registry section of the land court for the district wherein the land lies, and until the holder of the permit certifies in writing to the Commission that the permit has been recorded.

### **VIII. Regulations**

After public notice and public hearing, the Commission shall promulgate rules and regulations to effectuate the purposes of this bylaw effective when voted and filed with the town clerk. The Commission may amend the rules and regulations after public notice and public hearing. Failure by the Commission to promulgate such rules and regulations or a legal declaration of their invalidity by a court of law shall not act to suspend or invalidate the effect of this bylaw. Unless otherwise stated in this bylaw or in the rules and regulations promulgated under this bylaw, the definitions, procedures, and performance standards of the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.) as most recently promulgated shall apply.

### **IX. Definitions**

The following definitions shall apply in the interpretation and implementation of this bylaw. (For additional definitions, see Regulations II.)

The term “person” shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof to the extent subject to town bylaws, administrative agency, public or quasi-public corporation or body, this municipality, and any other legal entity, its legal representative, agents, or assigns.

The term “alter” shall include, without limitation, the following activities when undertaken to, upon, within, or affecting resource areas protected by this bylaw:

- A. Removal, excavation, or dredging of soil, sand, gravel, clay, minerals, or aggregate materials of any kind
- B. Changing of preexisting drainage characteristics, flushing characteristics, sedimentation patterns, flow patterns, or flood retention characteristics

- C. Drainage, or other disturbance of water level or water table
- D. Dumping, discharging, or filling with any material which may degrade water quality
- E. Placing of fill, or removal of material, which would alter elevation
- F. Driving of piles, erection or repair of buildings or structures of any kind
- G. Placing of obstructions or objects in water
- H. Destruction of plant life including cutting of trees
- I. Changing temperature, biochemical oxygen demand, or other physical, biological, or chemical characteristics of any waters
- J. Any activities, changes, or work which may cause or tend to contribute to pollution of any body of water or groundwater
- K. Incremental activities which have, or may have, a cumulative adverse impact on the resource areas protected by this bylaw.

#### **X. Security**

As part of a permit issued under this bylaw, in addition to any security required by any other municipal or state board, agency, or official, the Commission may require that the performance and observance of the conditions imposed thereunder (including conditions requiring mitigation work) be secured wholly or in part by one or both of the methods described below:

- A. By a proper bond or deposit of money or negotiable securities or other undertaking of financial responsibility sufficient in the opinion of the Commission, to be released in whole or in part upon issuance of a Certificate of Compliance for work performed pursuant to the permit.
- B. By accepting a conservation restriction, easement, or other covenant enforceable in a court of law, executed and duly recorded by the owner of record, running with the land to the benefit of this municipality whereby the permit conditions shall be performed and observed before any lot may be conveyed other than by mortgage deed. This method shall be used only with the consent of the applicant.

#### **XI. Enforcement**

No person shall remove, fill, dredge, build upon, degrade, or otherwise alter resource areas protected by this bylaw, or cause, suffer, or allow such activity, or leave in place unauthorized fill, or otherwise fail to restore illegally altered land to its original condition, or fail to comply with a permit or an enforcement order issued pursuant to this bylaw.

The Commission, its agents, officers, and employees shall have authority to enter upon privately owned land for the purpose of performing their duties under this bylaw and may make or cause to be made such examinations, surveys, or sampling as the Commission deems necessary, subject to the constitutions and laws of the United States and the Commonwealth.

The Commission shall have authority to enforce this bylaw, its regulations, and permits issued thereunder by violation notices, administrative orders, and civil and criminal court actions. Any person who violates provisions of this bylaw may be ordered to restore the property to its original condition and take other action deemed necessary to remedy such violations, or may be fined, or both.

Upon request of the Commission, the board of selectmen and the town counsel shall take legal action for enforcement under civil law. Upon request of the Commission, the chief of police shall take legal action for enforcement under criminal law.

Municipal boards and officers, including any police officer or other officer having police powers, shall have authority to assist the Commission in enforcement.

Any person who violates any provision of this bylaw, or regulations, permits, or administrative orders issued thereunder, or has failed to obtain the necessary Commission approval, shall be punished by a fine of not more than \$300. Each day or portion thereof during which a violation continues, or unauthorized fill or other alteration remains in place, shall constitute a separate offense, and each provision of the bylaw, regulations, permits, or administrative orders violated shall constitute a separate offense.

## **XII. Burden of Proof**

The applicant for a permit shall have the burden of proving by a preponderance of the credible evidence that the work proposed in the permit application will not have unacceptable significant or cumulative effect upon the resource area values protected by this bylaw. Failure to provide adequate evidence to the Commission supporting this burden shall be sufficient cause for the Commission to deny a permit or grant a permit with conditions.

## **XIII. Appeals**

A decision of the Commission shall be reviewable in accordance with G.L. c. 249 Sec. 4.

## **XIV. Relation to the Wetlands Protection Act**

This bylaw is adopted under the Home Rule Amendment of the Massachusetts Constitution and the Home Rule statutes, independent of the Wetlands Protection Act (G.L. c. 131 Sec. 40) and Regulations (310 CMR 10.00 et seq.) thereunder.

## **XV. Severability**

The invalidity of any section or provision of this bylaw shall not invalidate any other section or provision thereof, nor shall it invalidate any permit or determination which previously has been issued.

**XVI. Effective Date**

This revised bylaw goes into effect when approved by the Attorney General and published by the town clerk as set forth in G.L. c. 40 Sec. 32. A project for which the permit was filed or final Order of Conditions was issued prior to that date is subject to the previous bylaw.

## CONDOMINIUM AND COOPERATIVE CONVERSION

(STM - March 29, 1984 - Art. 1)

There currently is a severe shortage of rental housing in the Town of Amherst, which shortage has been caused in part by the rapid increase in the population of the town since 1970 resulting from its desirability as a place to live, in part by prolonged high interest rates which have retarded new housing construction, in part by the rapid inflation in the costs of new housing construction, in part by increases in residential mortgage rates, which have made home ownership more difficult or impossible, especially for low and moderate income families or the elderly on fixed incomes.

This severe shortage of rental housing has led to a serious public emergency with respect to the rental housing available to a substantial number of citizens of the Town, which emergency is causing a serious threat to the public health, safety and general welfare of the citizens of the town.

Federal tax laws and other considerations encourage the conversion of rental housing units to condominiums or cooperative conversion in the town would seriously worsen the severe shortage of rental housing in the town, by decreasing the stock of available rental housing, and would worsen the current serious public emergency with respect to rental housing in the Town.

In order to protect the public health, safety and general welfare of the citizens of the town, and to prevent the worsening of the current severe shortage of rental housing in the town, and the public emergency resulting therefrom, it is necessary to regulate and control the conversion of rental housing to condominium or cooperative housing.

The town enacts this by-law pursuant to the powers and authority possessed by the town under article 2 of the Articles of Amendment to the Constitution of the Commonwealth, as amended by article 89 of said Articles of Amendment, for the purpose of regulating and controlling such conversion.

SECTION 2. **Definitions** As used in this by-law the following terms shall have the following meanings:

- a) "Board": The Board of Selectmen
- b) "condominium unit": a unit of a condominium, as defined in Chapter 183A of the General Laws.
- c) "cooperative unit": a residential dwelling space in a building owned by a corporation, the shareholders of which have organized on a cooperative basis for the purpose of leasing such dwelling space to themselves.

- d) "condominium conversion": the sale, of a condominium unit in a building, by the owner of said building.
- e) "cooperative conversions": the execution of a lease, of a cooperative unit in a building, with an owner of shares of stock in the corporation which owns the building.

SECTION 3. **Applicability** This by-law shall apply to all buildings located within the town which contain two or more units of rental housing, whether or not said units are occupied. However, no unit once lawfully converted to a condominium or cooperative, and lawfully occupied by its owner, thereafter shall be governed by this by-law. Notwithstanding section 4(a) hereof, this by-law shall not apply to units as to which master deeds have been filed prior to the effective date of this by-law.

SECTION 4. **Regulation**

- a) No condominium or cooperative conversion is permitted in the town, except pursuant to a conversion permit granted under subsections 4(b) and 4(c) hereof. No owner of a condominium unit shall occupy a unit in a building owned by said corporation, unless a conversion permit covering said unit has been granted.
- b) When the vacancy rate for rental units in the town exceeds 5 %, a building owner may apply to the Board for a permit to convert said building to condominiums or cooperatives. When the vacancy rate is equal to or lower than 5%, a building owner may not apply for a permit unless the financial or other circumstances are such a prohibition of conversion would constitute unconstitutional confiscation of the owner's property. When such an application is made, the Board before granting a permit shall be required to make an explicit finding that denial of a permit would constitute such confiscation.
- c) The Board shall consider at least the following factors in determining whether to grant or deny a conversion permit for a building.
  - 1) the impact of the proposed conversion upon the tenants sought to be protected by this by-law, upon the availability of rental housing of comparable type, quality and cost in the town and upon the overall availability of rental housing in the town;
  - 2) the ease or difficulty with which the affected tenants could find alternative rental housing in the town of comparable type, quality and cost;
  - 3) any efforts to mitigate the impact of the proposed conversion upon the affected tenants, including but not limited to, guaranteed rights to remain as tenants for a fixed period, full or partial reimbursement of moving expenses and other costs of finding alternative rental housing, and the procurement by the building owner for the tenants of alternative rental housing in the town of comparable type, quality and cost;
  - 4) the physical condition of the housing involved, and the financial viability of the building maintained as rental housing;

- 5) whether, for how long, and why a unit or units in the building have been vacant; and
  - 6) the age, financial status, and health of the affected tenants, and the length of their tenancies.
- d) This by-law shall not apply to any property exempted by Chapter 527 of the Acts of 1983.
  - e) The Board shall have the power to issue such orders and enact such regulations as it may deem necessary to effectuate the purposes of this by-law, and to prescribe the procedure for filing applications for conversion permits, giving notice of applications, holding public hearings upon applications, and rendering decisions upon applications. The Board may impose a reasonable filing fee for applications.
  - f) The Board shall determine the vacancy rate for rental units in the Town, using what source or sources of statistical data it determines to be appropriate.
  - g) Tenants of units converted, or to be converted, or proposed to be converted, may not be evicted, for the purpose of permitting renovation or rehabilitation of said units, or for the purpose of permitting occupancy of said units by purchasers, for nine months after the date of application for a conversion permit, or six months after the date of granting of a conversion permit, whichever is longer. It shall be unlawful to commit any acts of harassment against tenants, to fail to make necessary repairs or provide required services, or to seek unreasonable increases in rents, for or during said period for the purpose of seeking to induce tenants to vacate units.
  - h) A tenant shall have the right to first refusal to purchase the unit in which he or she lives.
  - i) An application for a conversion permit shall be accompanied by a written plan setting forth an orderly process for the conversion, and a description of the governing process by which the owners' association or cooperative corporation shall exercise its responsibilities during and after the conversion.
  - j) An application for a conversion permit shall cover all units in a building; however, the Board may in the exercise of its discretion under subsection 4(c) hereof condition the grant of the conversion permit upon the building owner making special provisions for certain units and the tenants thereof.
  - k) No conversion permit shall be granted unless the building has been certified by an independent licensed engineer or architect to meet all applicable building and health codes of the town and commonwealth.

SECTION 5. **Severability** Should any provision hereof, or its application to any person or circumstance, be determined to be invalid, that invalidity shall not affect the validity of any other provision or application hereof.

SECTION 6. **Penalties and Enforcement** Any person who violates this by-law shall be punished by a fine of fifty dollars per offense. Each day during which a unit is illegally converted or occupied and each day after which an illegal conversion takes place, shall constitute a separate offense, and the conversion of multiple units in a building shall constitute multiple offenses. The Board may enforce this by-law in a court of competent jurisdiction, and may obtain appropriate injunctive relief to enforce the by-law in a civil action. Any person aggrieved by a failure to comply with the by-law may enforce its provisions in a civil action for injunctive relief.

SECTION 7. **Effective Date** This by-law shall take effect upon any act by the General Court which shall enable the town to regulate condominium and cooperative conversions and, after review by the Attorney General, to ascertain compliance with that enabling act.

agriculture-based economic opportunities, and protects farmlands within the Town of Amherst by allowing agricultural uses and related activities and promoting efficient conflict resolution with abutters and Town agencies.

### Section 3. Right to Farm Declaration

The Right to Farm is hereby recognized to exist with the Town of Amherst, in recognition of the benefits of farming to the neighborhood, community and society in general. The above-described agricultural activities may occur on holidays, weekdays, and weekends by night or day and shall include the attendant incidental noise, odors, dust, and fumes associated with normally accepted agricultural practices. The benefits and protections of this Bylaw are intended to apply exclusively to those agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right to Farm Bylaw shall be deemed as acquiring any interest in land, or imposing any land use regulation, which is properly the subject of state statute, regulation, or local zoning bylaw. This Bylaw does not supersede local, state or federal laws or regulations or private covenants.

### Section 4. Effective Date

This Bylaw shall be effective upon approval by the Massachusetts Attorney General and the publication and posting as required by law.

### Section 5. Disclosure Notification to Real Estate Buyers

In order to allow prospective purchasers to make informed decisions prior to a real estate transaction and to promote harmony between farmers and their new neighbors after a transaction, the Town of Amherst requests selling landholders and/or their agents (and assigns) provide written notice to prospective purchasers substantially as follows:

“It is the policy of the Town of Amherst to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food and other agricultural products, and also for its natural and ecological value. This disclosure notification is to inform buyers that the property they are about to acquire lies within a town where farming activities occur. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Purchasing, and henceforth occupying land within Amherst means that one should expect and accept such conditions as a normal and necessary aspect of living in Amherst.”

Written notification may occur in one of several ways including but not limited to a disclosure form, addendum to a Purchase and Sale Agreement and should include an acknowledgement by the buyer that they have received notification.

Within 30 days after this Bylaw becomes effective the Select Board shall make available for use by selling landowners or their agents (and assigns) copies of example written notifications.

Such person may also, notwithstanding the pursuit of other available remedies, file such complaint with the Town Manager. The Town Manager will forward the complaint to the Agricultural Commission, and other board or officer deemed appropriate. The Agricultural Commission will seek an amicable resolution through facilitating discussion between the parties, and will report back to the Town Manager on the outcome within a reasonable time frame.

#### Section 7. Severability Clause

If any part of this Bylaw is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this bylaw. The Town of Amherst hereby declares the provisions of this Bylaw to be severable.

The Commission shall file a copy of any such Rules and Regulations with the office of the Town Clerk.
- 5.3 The Commission, after a public hearing duly posted and advertised at least 14 days in advance in a conspicuous place in Town Hall and in a newspaper of general circulation, may adopt and from time to time amend guidelines which set forth the designs for certain exterior architectural features which are, in general, suitable for the issuance of a Certificate. 6.2 No building permit for construction of a building or structure or for alteration of an exterior architectural feature as visible from a public way within a District and no demolition permit for demolition or removal of a building or structure within a District shall be issued by the Town or any department thereof until a Certificate as required under this Bylaw has been issued by the Commission.

## **7. PROCEDURES FOR REVIEW OF APPLICATIONS**

7.1 Any person who desires to obtain a Certificate from the Commission shall file with the Commission an application for a Certificate of Appropriateness, of Non-Applicability or of Hardship, as the case may be. The application shall be accompanied by such plans, elevations, specifications, material and other information, including in the case of demolition or removal a statement of the proposed condition and appearance of the property thereafter, as may be reasonably deemed necessary by the Commission to enable it to make a determination on the application.

7.2 The Commission shall determine within fourteen (14) days of the filing of an application for a Certificate whether said application involves any exterior architectural features which are within the jurisdiction of the Commission.

7.3 If the Commission determines that an application for a Certificate does not involve any exterior architectural features, or involves an exterior architectural feature which is not subject to review by the Commission under the provisions of this Bylaw, the Commission shall forthwith issue a Certificate of Non-Applicability.

7.4 If the Commission determines that such application involves any exterior architectural feature subject to review under this Bylaw, it shall hold a public hearing on the application, except as may otherwise be provided in this Bylaw. The Commission shall hold such a public hearing within forty-five (45) days from the date of the filing of the application. At least fourteen (14) days before said public hearing, public notice shall be given by posting in a conspicuous place in Town Hall and in a newspaper of general circulation in Amherst. Such notice shall identify the time, place and purpose of the public hearing. Concurrently, a copy of said public notice shall be mailed to the applicant, to the owners of all adjoining properties and of other properties deemed by

the Commission to be materially affected thereby all as they appear on the most recent real estate tax list, to the Planning Board, to any person filing a written request for notice of hearings, such request to be renewed yearly in December, and to such other persons as the Commission shall deem entitled to notice.

7.4.1 A public hearing on an application for a Certificate need not be held if such hearing is waived in writing by all persons entitled to notice thereof. In addition, a public hearing on an application for a Certificate may be waived by the Commission if the Commission determines that the exterior architectural feature involved, or its category, is so insubstantial in its effect on the District that it may be reviewed by the Commission without a public hearing. If the Commission dispenses with a public hearing on an application for a Certificate, notice of such application shall be given to the owners of all adjoining property and of other property deemed by the Commission to be materially affected thereby as above provided, and ten (10) days shall elapse after the mailing of such notice before the Commission may act upon such application.

7.5 Within sixty (60) days after the filing of an application for a Certificate, or within such further time as the applicant may allow in writing, the Commission shall issue a Certificate or a disapproval. In the case of a disapproval of an application for a Certificate, the Commission shall set forth in its disapproval the reasons for such disapproval. The Commission may include in its disapproval specific recommendations for changes in the applicant's proposal with respect to the appropriateness of design, arrangement, texture, material and similar features which, if made and filed with the Commission in a subsequent application, would make the application acceptable to the Commission.

7.6 The concurring vote of a majority of the members shall be required to issue a Certificate.

7.7 In issuing Certificates, the Commission may, as it deems appropriate, impose certain conditions and limitations, and may require architectural or plan modifications consistent with the intent and purpose of this Bylaw.

7.8 If the Commission determines that the construction or alteration for which an application for a Certificate of Appropriateness has been filed will be appropriate for or compatible with the preservation or protection of the District, the Commission shall issue a Certificate of Appropriateness.

7.9 If the construction or alteration for which an application for a Certificate of Appropriateness has been filed shall be determined to be inappropriate and therefore disapproved, or in the event of an application for a Certificate of Hardship, the Commission shall determine whether, owing to conditions especially affecting the building or structure involved, but not affecting the District generally, failure to approve an application will involve a substantial hardship, financial or otherwise, to

the applicant and whether such application may be approved without substantial detriment to the public welfare or to the district and without substantial derogation from the intent and purposes of this Bylaw. If the Commission determines that owing to such conditions failure to approve an application will involve substantial hardship to the applicant and approval thereof may be made without such substantial detriment or derogation, the Commission shall issue a Certificate of Hardship.

- 7.10 The Commission shall send a copy of its Certificates and disapprovals to the applicant and shall file a copy of its Certificates and disapprovals with the office of the Town Clerk and the Building Commissioner. The date of issuance of a Certificate or disapproval shall be the date of the filing of a copy of such Certificate or disapproval with the office of the Town Clerk.
- 7.11 If the Commission should fail to issue a Certificate or a disapproval within sixty (60) days of the filing of the application for a Certificate, or within such further time as the applicant may allow in writing, the Commission shall thereupon issue a Certificate of Hardship Due to Failure to Act.
- 7.12 Each Certificate issued by the Commission shall be dated and signed by its Chair or such other person designated by the Commission to sign such Certificates on its behalf.
- 7.13 A person aggrieved by a determination of the Commission may, within twenty (20) days of the issuance of a Certificate or disapproval, file a written request with the Commission for a review by a person or persons of competence and experience in such matters, acting as arbitrator and designated by the Pioneer Valley Planning Commission (PVPC). The finding of the person or persons making such review shall be filed with the Town Clerk within forty-five (45) days after the request, and shall be binding on the applicant and the Commission, unless a further appeal is sought in the Superior Court as provided in Chapter 40C, Section 12A. The filing of such further appeal shall occur within twenty (20) days after the finding of the arbitrator has been filed with the office of the Town Clerk.

## **8. CRITERIA FOR DETERMINATIONS**

- 8.1 In deliberating on applications for Certificates, the Commission shall consider, among other things, the historic and architectural value and significance of the site, building or structure; the general design, proportions, detailing, mass, arrangement, texture, and material of the exterior architectural features involved; and the relation of such exterior architectural features to similar features of buildings and structures in the surrounding area. The Commission shall be guided by the purpose of this Bylaw to preserve and protect exterior architectural features of the buildings and structures in the District as they exist at the time of the Bylaw's adoption.
- 8.2 In the case of new construction or additions to existing buildings or structures, the Commission shall consider the appropriateness of the scale, shape and proportions of

the building or structure both in relation to the land area upon which the building or structure is situated and in relation to buildings and structures in the vicinity. The Commission may in appropriate cases impose dimensional and setback requirements in addition to those required by applicable statute or bylaw.

8.3 When ruling on applications for Certificates on solar energy systems as defined in Section IA of Chapter 40A, the Commission shall consider the policy of the Commonwealth of Massachusetts to encourage the use of solar energy systems and to protect solar access.

8.4 The Commission shall not consider interior arrangements or architectural features not subject to public view from a public way.

## **9. EXCLUSIONS**

9.1 The Commission shall exclude from its purview the following:

9.1.1 Temporary buildings, structures or signs subject, however, to conditions pertaining to the duration of existence and use, location, lighting, removal and similar matters as the Commission may reasonably specify.

9.1.7 The reconstruction, substantially similar in exterior design, of a building, structure or exterior architectural feature damaged or destroyed by fire, storm or other disaster, provided such reconstruction is begun within one year thereafter and carried forward with due diligence.

9.2 Upon request the Commission shall issue a Certificate of Non-Applicability with respect to construction or alteration in any category not subject to review by the Commission

in accordance with the above provisions.

- 9.3 Nothing in this Bylaw shall be construed to prevent the ordinary maintenance, repair or replacement of any exterior architectural feature within a District which does not involve a change in design, material or the outward appearance thereof, nor to prevent landscaping with plants, trees or shrubs, nor construed to prevent the meeting of requirements certified by a duly authorized public officer to be necessary for public safety because of an unsafe or dangerous condition, nor construed to prevent any construction or alteration under a permit duly issued prior to the effective date of this Bylaw.

## **10. CATEGORICAL APPROVAL**

The Commission may determine from time to time after a public hearing, duly advertised and posted at least fourteen (14) days in advance in a conspicuous place in Town Hall and in a newspaper of general circulation in Amherst, that certain categories of exterior architectural features, structures or buildings under certain conditions may be constructed or altered without review by the Commission without causing substantial derogation from the intent and purpose of this Bylaw.

## **11. ENFORCEMENT AND PENALTIES**

- 11.1 The Commission shall determine whether a particular activity is in violation of this Bylaw or not, and the Commission shall be charged with the enforcement of this Bylaw.
- 11.2 The Commission, upon a written complaint of any resident of Amherst, or owner of property within Amherst, or upon its own initiative, shall institute any appropriate action or proceedings in the name of the Town of Amherst to prevent, correct, restrain or abate violation of this Bylaw. In the case where the Commission is requested in writing to enforce this Bylaw against any person allegedly in violation of same and the Commission declines to act, the Commission shall notify, in writing, the party requesting such enforcement of any action or refusal to act and the reasons therefore, within twenty one (21) days of receipt of such request.
- 11.3 Whoever violates any of the provisions of this Bylaw shall be punishable by a fine of up to \$300.00 for each offense. Each day during any portion of which such violation continues to exist shall constitute a separate offense.
- 11.4 The Commission may designate the Building Commissioner or other qualified staff of the Town of Amherst to act on its behalf and to enforce this Bylaw under the direction of the Commission.

## **12. VALIDITY AND SEPARABILITY**

The provisions of this Bylaw shall be deemed to be separable. If any of its provisions, sections, subsections, sentences or clauses shall be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Bylaw shall continue to be in full force and effect.

- 1) **Contact Information & Responsible Persons.** Name(s) and current contact information, including but not limited to mailing address, telephone number and email address, for all owners and any responsible rental property management entity or person(s). Where the rental property owner(s) or agent does not have their principal residence or principal place of business in the town of Amherst or within 20 miles of an Amherst town line, and in order to ensure contact in circumstances when the owner cannot be reached, the owner shall appoint one or more person(s) who are residents of Amherst to serve as Local Agent(s) for the owner, authorized to act on the owner’s behalf with regard to the property, but in particular in all matters in response to an emergency which endangers the property or threatens the welfare of any person living on the premises. Notices given to a Local Agent shall be sufficient to satisfy any requirement of notice to the owner or the operator. The owner shall notify the Code Official in writing of any change of Local Agent within five days of any such change.
- 2) **Compliance Through Self-Certification.** Evidence of current compliance with all applicable local zoning and regulations, as well as state health, fire and building

codes, shall be provided through submission of an Owner's Self-Inspection and Certification Checklist provided by the Town as set forth in Section 7 below. An owner or property manager may provide the Town with a single Self-Inspection and Certification Checklist for multiple units provided that said units are on a single property. Where said units represent a portion of the total rental units on the property, the applicant shall propose a schedule of Self-Inspection and Certification for the remaining units for the review and approval of the Code Official.

3) **Complete & Accurate Information Required.** No incomplete application will be accepted. It shall be a violation of this Bylaw for anyone to knowingly provide false or misleading information on an application, and may constitute grounds for fines and other penalties hereunder. See Sections 12 and 13 below.

b. **Renewal.** Rental permits shall be valid for a period to begin on July 1 and shall end on June 30, regardless of when a permit is applied for or approved and issued. Completed applications for permit renewals shall be submitted and received by June 15<sup>th</sup> of each calendar year.

c. **Permit Posted.** A rental permit shall be conspicuously posted and maintained within the premises in a common area or area as is necessary to be visible to tenants and inspectors.

d. **Transferability.** Rental permits shall be transferable upon a change of ownership, providing that operation of the continued rental use shall be subject to the provisions of the permit and management plan. The new owner or designated operator of the rental property is required to promptly notify the Code Official of their acquisition of the property and to submit for review and approval any proposed changes in the provisions of the permit.

## **7. Inspections & Complaints.**

a. **Self-Certification Program.** Owners of rental property governed by this bylaw shall self-inspect and certify their properties as required under this section. Nothing in the Self-Certification program shall limit the Town's authority or the authority and/or discretion of the Code Official to investigate and inspect a property in response to a complaint or for other good cause, or to compel abatement of any violation under this bylaw in a manner consistent with or required by the laws of the Commonwealth.

1) Annual Owner Self-Inspections & Checklist.

a. **Owner Self-Inspection & Certification.** An owner or their local agent shall conduct an annual inspection of the property, using a Self-Certification Checklist provided by the Town. The owner or their agent shall sign the Checklist indicating, that the information contained therein is complete and accurate as of the date of said annual inspection, and shall submit the Checklist and any required materials along with their application for annual renewal of the rental permit for

the property and unit(s) in question. Any false statements or information provided on the Checklist shall constitute a violation of this bylaw.

- b. **Subsidized Housing.** Where residential rental units are regularly inspected under requirements of the state or federal government, no Self-Inspection and Certification shall be required. Annual certification by the owner that a rental unit has been inspected in accordance with state or federal law shall be provided to the Town and shall be accepted by the Town as evidence of Self-Inspection as part of any permit application or renewal.
- c. **Self- Inspections & Access.** An owner shall not be found in violation of the Self-Certification program if they have been refused access for an inspection by a tenant/occupant. However, in such instances the owner shall either provide the Town with a signed statement from the tenant/occupant indicating that the inspection was refused, or the owner shall provide proof, that a request for access was served to the tenant/occupant and the request was thereafter refused.
- d. **Lease Terms.** Subject to and as limited by the laws of the Commonwealth, a provision requiring tenants to agree to provide reasonable access to the owner(s) or management company shall be a feature of any lease for a rental unit or property permitted under this bylaw. Where no lease is used, the owner(s) or their lawful representatives shall provide documentation demonstrating that they have made all tenants aware of the Town of Amherst rental bylaw and inspection system. All leases shall provide an acknowledgment that all tenants have been made aware of these requirements.
- e. **Leases Available.** Copies of all current, active leases for the subject property or units shall be kept on file with the owner or manager, and shall be made available to the Code Official within 48 hours of any request.

**b. Self-Inspection for Different Circumstances**

- 1) **Short-Term Rentals.** Dwelling units on owner-occupied properties serving as the owner's principal residence, and which contain no more than two (2) units may be rented under simple registration with the Town without the requirement for a rental permit for a period not to exceed one (1) calendar year under the following circumstances:
  - a. During a pending sale of the property by the owner-occupant, or
  - b. In response to regular or periodic interruptions in residency by the owner-occupant, where such interruptions are the result of illness, catastrophe, professional or academic scheduling, or other temporary reasons for absence which do not affect basic indicia of residency.

At the end of the one (1) year rental period, as calculated from the initial date of the lease or occupancy of the unit(s) by persons other than the owner(s), any such units shall be registered and a rental permit obtained in compliance with this bylaw.

- 2) Long-Term Tenancies & Periodic Self-Inspections. Rental units which have been leased and occupied continuously by the same tenant(s) for a period of not less than three (3) years shall require a Self-Inspection & Certification upon initial registration and thereafter at three (3) year intervals. Exceptions shall be that Self-Inspection & Certification will be required upon any change in tenants, or may be required at more frequent intervals at the discretion of the Code Official in response to complaints or other circumstances requiring a Town inspection.

**c. Complaints & Response Process.**

Upon receipt of a complaint or notice from any person alleging that the condition of a rental unit or property is in violation of any law or State or local requirement, or of any violation of this Bylaw, the Code Official shall conduct an inspection of a premise within a reasonable amount of time. Inspections shall be as scheduled by the Code Official.

Inspections of rental properties, buildings, grounds, and rented dwelling or rooming units shall be conducted in accordance with all applicable local and state laws, regulations and codes, in a manner consistent with the laws of the Commonwealth.

Subject to the above limitation, all rental units are subject to inspection upon complaint or request by a tenant. Issuance of a rental permit to an owner does not preclude tenants' right to file a complaint with the Town, to which the Town must respond with an inspection in compliance with the provisions of state law and regulations.

- d. Access to Properties.** In accordance with Section 7. a. 1) d), the permit holder shall make a good faith effort to arrange access by authorized Town personnel to any permitted rental property for the purpose of conducting inspections within twenty-four (24) hours of receiving a request.

- 8. Tenant Information.** The owner shall be required to distribute to tenants annually, and to each new tenant, an information sheet provided by the Town describing key local regulations; bylaws, including those pertaining to noise, alcohol and nuisance houses; and state laws and codes applying to rental properties. As part of the Registration and Self-Certification process, the owner shall attest to understanding the provided information and the necessity of compliance with the rules and laws described, as well as distributing it to tenants.

- 9. Occupancy Limits and Zoning.** The maximum number of adult persons who may occupy a dwelling unit or rooming unit shall be as determined by the requirements of the Amherst Zoning Bylaw and State standards for fitness for habitation. The fact that a structure or use may be permitted or authorized under the Amherst Zoning Bylaw shall not exempt said structure or use from application of this bylaw or relieve or excuse compliance herewith in any way.

**10. Parking.** All existing parking and any new or expanded parking on residential rental properties within the town of Amherst shall comply with the General Requirements and Design Standards and Landscape Standards of the Parking & Access Regulations of the Amherst Zoning Bylaw.

a. **Parking Site Plan.** A Basic Parking Site Plan, as described below, meeting the requirements of this section shall be developed and submitted as part of any rental permit application. Submission of an existing site plan approved under a land use (zoning) permit and which accurately represents current on-site parking shall meet the requirements of this section.

1) **Basic Parking Site Plan Requirements.** The parking site plan shall be drawn to scale (1"=20' preferred), as appropriate to the site. Except as may otherwise be required by the Code Official or under the provisions of Amherst's Zoning Bylaw, Town of Amherst GIS mapping may be used as the base for a site plan developed under this section.

a) The Basic Parking Site Plan shall accurately depict the area within which parking is proposed, including:

- i. Property boundaries
- ii. Existing driveways and pedestrian walks
- iii. Dwellings and structures
- iv. All existing and proposed on-site parking spaces
- v. Existing and proposed landscaped areas
- vi. Fencing or other barriers or screening
- vii. Site features such as trees over 12 inches in diameter (as measured five feet above grade), bedrock outcroppings, steep slopes, and such other site features as may affect parking locations.

2) Any provision of this section with regard to Basic Parking Site Plan Requirements may be waived or modified by the Code Official for compelling reasons of safety or design.

b) **Review.** Existing on-site parking and circulation shall be reviewed by the Code Official for conformance with existing zoning requirements, including but not limited to parking layout and circulation, paving, parking space dimensions, screening, and, in consultation with the Fire Chief, the sufficiency of circulation and vehicular access for public safety and emergency vehicles.

**11. Fees.** The Select Board or its designee may set and periodically revise a schedule of fees for registration, permit application, and inspections of rental properties.

**12. Enforcement.**

- a. Enforcement Personnel.** The Town Manager is hereby authorized to designate the Principal Code Official and other Town officials empowered to enforce or otherwise take actions under this Bylaw.
- b. Enforcement Options.** This Bylaw shall be enforced by criminal complaint through a court of competent jurisdiction. In addition, any person committing a violation under this section may be issued a citation under the noncriminal disposition process of M.G.L. c. 40 section 21D. Furthermore, in appropriate circumstances, a civil action may be initiated to compel compliance herewith.
- c. Violations.** Non-compliance with any requirement of this Bylaw shall constitute a violation subject to penalty. Every day in which a violation continues shall be considered to be a separate offence. If more than one violation has occurred, each condition of the Bylaw which has been violated shall be considered a separate offense.
- d. Enforcement Procedures.** Except for cases where conditions exist which may endanger or impair the health, or safety and well-being of a person or persons occupying the premises or as may otherwise be provided for by the Massachusetts Sanitary Code, Building Code, Fire Regulations or any other state or local law or regulation, the response of Code Officials to potential violations of this Bylaw shall include one or more of the actions as deemed necessary by the Code Official. Nothing herein shall supersede, alter, or vary the requirements of those codes or the responsibilities of the officials that administer them.
- 1) **Complaint Filed.** Any person may file a complaint regarding one or more violations of this Bylaw.
  - 2) **Property Research.** The Code Official shall perform a limited initial research of the property to confirm permit history, assessor's information, and other pertinent information. The Code Official may contact the alleged violator, occupant or responsible party to gather additional information. When appropriate the Code Official shall notify the Owner that a complaint has been filed against the property and that an initial site inspection is anticipated.
  - 3) **Site Inspection.** The Code Official shall conduct a site inspection to determine the validity of the complaint and collect any relevant facts of the case.
  - 4) **Notice of Violation/Enforcement Order.** After inspecting the site and upon confirming that a violation exists, the Code Official shall inform the responsible party or parties in writing of the violation and specify a time period within which to correct the violation. Violations may be cited pursuant to the applicable state or local code or regulation.
  - 5) **Follow up Inspection.** Shall be conducted upon the expiration of the time specified to correct the violation.

- 6) Fines. The Code Official may elect to impose fines in instances where: 1) compliance has not been achieved after the responsible party or parties have been made aware of the violation and given a reasonable opportunity to come into compliance, or 2) for repeat offenses.
- 7) Suspension of Rental Permit. In instances of egregious violations and when all reasonable and practical efforts have been made by the Code Official to gain compliance at a property without result, the Principal Code Official may suspend a rental permit based upon the specific criteria provided in Section 13 of this Bylaw. The permit holder shall have the opportunity to be heard and appeal any decision of the Principal Code Official to impose a suspension in accordance with Section 14 of this Bylaw.
- 8) Court Relief. If a violator fails to comply with an Enforcement Order, the Code Official may seek a court order to remedy the violation.

### **13. Penalties**

- a. **Fines.** Any violation of the provisions of this Bylaw may be enforced by non-criminal complaint pursuant to the provisions of G.L. c.40, §21D. The fine for any violation shall be one hundred dollars (\$100.00) for each offense. Each day such violation continues shall be deemed a separate offense. Fines for other applicable local and state laws, regulations and codes, shall be set and assessed in a manner consistent with those laws, regulations, and codes, and the laws of the Commonwealth.
- b. **Suspension.** Based on the standard of proof and criteria specified herein the Principal Code Official is authorized to suspend a rental permit. A suspension shall take effect immediately upon the day following the end of the current lease, or upon any termination of the lease prior to that date. The suspension of a rental permit shall be imposed to affect only those units which are the subject of the violation(s) and enforcement action(s). Permits may be suspended if:
  - 1) An Owner or their Agent has knowingly allowed or assisted in allowing violations of this Bylaw. The Code Official must collect compelling documentation through his or her investigation to substantiate this violation and support the recommendation to suspend a permit.
  - 2) An Owner or their Agent repeatedly refuses or neglects to comply with an order of the Code Official. The Code Official must find that the Owner or their Agent have not taken action to achieve compliance of the property and that at least 90 days have expired without compliance since the date of receipt of the Enforcement Order. During this time the Code Official shall inform the Owner or their Agent in writing that the permit is subject to suspension.

Suspensions shall be as follows:

First Offense – 90 days

Second Offense in a twelve month period – 180 days

Third Offense in a twelve month period – 3 years

- c. Immediate Suspension.** In those instances where a rental unit has been condemned or deemed an unsafe structure pursuant to health, building and fire regulations, the rental permit shall be immediately suspended and shall remain suspended until as such time the property is found to be habitable and in compliance by the appropriate Code Official.

#### **14. Appeals of the Code Official.**

The Select Board is hereby authorized to establish and appoint a Rental Appeals Board (RAB), and to promulgate regulations for its membership and the conduct of its business.

All appeals shall be heard at a duly noticed public hearing and any party filing such an appeal shall have the right to be represented by counsel.

Every ten (10) years, upon receipt of the final results of the decennial federal census, the select board shall appoint a districting advisory board composed of nine (9) members from diverse geographical areas of the town, plus the town clerk or the town clerk's designee as a non-voting member ex officio.

1.22 Process and reporting

The districting advisory board shall recommend to the select board a division of the territory of the town into not less than five (5) precincts, each of which shall be plainly designated. They shall be so established as to consist of compact and contiguous territory with numbers of inhabitants as nearly equal as feasible, and be bounded as far as possible by the center line of known streets and ways or by other well defined limits.

The districting advisory board shall include in its recommendations to the select board a map or maps of the precincts as established or revised from time to time, with the numbers of inhabitants therein. The select board shall report its decisions on said recommendations to the town clerk, who shall forthwith give written notice thereof to the state secretary, stating the number and designation of the precincts, the number of inhabitants of each precinct and such other information as shall be required by law. Any revision of such precincts shall take effect upon receipt of the approval of the state secretary in writing, after which the town clerk shall notify each household of registered voters of said revisions, and shall also cause to be posted in at least one (1) public place in each precinct a map or description of that precinct, with the names and residences of the registered voters therein.

### 1.4 Election of select board members

At each annual election there shall be elected in place of those select board members whose terms are about to expire an equal number of members, each to serve for three (3) years. The select board members shall serve until their successors are elected and qualified. If, for any reason, a vacancy or vacancies occur in the membership of the select board, the remaining members shall call a special town election to fill the vacancy or vacancies for the unexpired term or terms, except if such vacancy or vacancies occur less than ninety (90) days before the annual election and no fewer than three (3) select board members remain in office, the vacancy or vacancies shall remain until such annual election.

### 1.5 Election of representative town meeting member

#### 1.51 Number of members

The number of elected town meeting members in all precincts shall be equal among the precincts and in each precinct shall be the largest number divisible by three (3) which will cause the total elected membership to be as near two hundred forty (240) as possible.

#### 1.532 Term of office

The first third, in the order of votes received, of members so elected in each precinct shall serve a three(3)-year term, the second third in such order shall serve a two(2)-year term, and the remaining third in such order shall serve a one(1)-year term from the day of the annual town election; and thereafter, except as provided herein, at each annual town election the registered voters of each precinct shall, in like manner, elect for the term of three (3) years, one third (1/3) of the number of elected town meeting members to

which such precinct is entitled, and shall at each such election fill for the unexpired term or terms any vacancy or vacancies then existing in the number of elected town meeting members in such precinct.

In case of a tie vote affecting the division into thirds, as aforesaid, the members elected from the precinct at the same election, other than those whose terms of office are affected by such tie vote, shall by ballot determine which members receiving such tie vote shall serve for the longer and which for the shorter term. In the case of a tie vote affecting the election of town meeting members in any precinct otherwise than as to term of office, the members elected from such precinct at the same election shall by ballot determine which of the candidates receiving such tie vote shall serve as town meeting member from such precinct. The terms of office of all elected town meeting members from every precinct revised as aforesaid shall cease upon the election of their successors as hereinbefore provided.

#### 1.533 Notification

The town clerk shall, after the election of town meeting members, forthwith notify such members by mail of their election.

#### 1.534 Members assuming ex officio status

If there is a tie vote among two (2) or more such candidates, the remaining elected members of the same precinct shall, by ballot, choose from among those tied and the winner shall serve until the next annual town election. In such cases, the town clerk shall call a special meeting of the remaining elected members of such precinct to be held within thirty (30) days following the annual town election, and shall cause to be mailed to every such member a notice specifying the purpose, time and place of the meeting, not less than five (5) days preceding the date scheduled. In the event there are no candidates available to fill the vacancy, the procedures outlined in Section 1.542 shall be followed.

Nomination papers to fill any vacant seat may be filed by any registered voter of the precinct with the town clerk until the close of business on the eighth (8th) day following the date of publication. The town clerk shall on or before the close of business on the seventh (7th) day thereafter certify the qualified candidates, mailing to the remaining town meeting members in the precinct a copy of such certification together with a written ballot identifying the qualified candidates and the number of vacancies to be filled. The remaining elected town meeting members of the precinct shall, on or before the seventh (7th) day following said mailing, cause their ballots to be delivered to the town clerk in a sealed envelope. On the first business day

following said seventh (7th) day the town clerk shall open the envelopes at a duly noticed public meeting and shall certify the election of those with the largest number of votes, ties to be resolved by the town clerk by lot.

#### 1.5422 Filled by precinct member meetings

In the event of any vacancy in the full number of elected town meeting members from any precinct which cannot be filled by means of the above-mentioned procedure, the remaining elected members of the precinct may choose a successor from among the registered voters thereof. Upon petition therefor, signed by no fewer than ten (10) elected town meeting members from the precinct, or if the entire number of elected town meeting members from said precinct is fewer than eighteen (18), by a majority thereof, notice of any vacancy shall be made promptly to the remaining elected town meeting members from the precinct wherein the vacancy or vacancies exist by the town clerk, who shall call a special meeting of such members for the purpose of filling a vacancy. The town clerk shall cause to be mailed to every such member, not less than five (5) days before the time set for the meeting, a notice specifying the object, time and place of the meeting. At the meeting, a majority of the elected town meeting members from such precinct shall constitute a quorum, and they shall elect from their own number a chair and a clerk. The election to fill such vacancy shall be by ballot and a majority of the votes cast shall be required for a choice. The chair and the clerk shall count the ballots and shall make a certificate of such election and forthwith file the same with the town clerk, together with a written acceptance by the member or members so elected, who shall thereupon be deemed elected and qualified as a town meeting member or members.
