Count on it.

Groundsmaster® 5900/5910

TORO Count on it.

Redefining productivity.

Groundsmaster 5900/5910

- 16' (4.9 m) cutting width
- 99 hp (74 kW) Cummins® turbo-diesel engine
- InfoCenter™ onboard diagnostics
- SmartCool™ system with auto-reversing cooling fan
- Full-time 4WD
- Open cockpit 5900/
Climate-controlled cab 5910

What will your next 16' (4.9 m) rotary mower do for you? Will it reduce your fuel and maintenance costs? Automatically clear chaff from the intake screens? Or tell the operator when there's a potential problem ... and then point the technician directly to the trouble spot? If your next mower is the completely new Toro® Groundsmaster® 5900 or 5910, the answer is "Yes" and much more.

Welcome to the next generation of wide area rotary mowers. The Toro Groundsmaster 5900 Series sets the new standard for productivity, uptime and low daily operating costs.

Groundsmaster 5900

Groundsmaster 5910

Count on Innovation

Toro Groundsmaster mowers are renowned for their power, durability and reliability. After listening to customer input, our engineers set out to build a mower unlike any other. The 99 hp (74 kW) turbo-diesel engine powers you through the toughest turf. Sophisticated onboard diagnostics and an innovative cooling system maximize uptime. And for ultimate operator comfort, the 5910 offers a factory installed climate-controlled cab.
