The undersigned registered voters of the Town of Amherst submit the following article and request that it be placed on the Warrant for the Special/Annual Town Meeting of April 27, 2015.

(Article wording must appear, in its entirety, on every petition form submitted to Select Board)

Warrant Article: Towards a Human Rights Culture

WHEREAS, Article VI, Clause 2 of the US Constitution asserts: "All treaties made or shall be made... shall become the Supreme Law of the Land and the judges in every state shall be bound thereby...";

And WHEREAS, the UN Charter, the Universal Declaration of Human Rights, as the authoritative statement of customary international law, and major UN human rights conventions have the status of international treaty,

NOW THEREFORE BE IT RESOLVED: The Town of Amherst calls upon all federal, state, and municipal legislative, executive, and judicial bodies to sign, ratify, and implement such conventions as they presently exist and evolve. This warrant article will be deposited with Representative Elizabeth Warren; President Obama; Samantha Powers, US Representative to the UN; Senator Bob Corker, Chair of the Senate Foreign Relations Committee; Charlie Baker, Governor of Massachusetts and other policy makers as appropriate in order that they take positive steps in that direction. Doing so, would be a step towards creating a human rights culture among the general populace, a "lived awareness" of human rights principles in our minds and hearts and carried into our everyday lives, ultimately resulting in socially just policies, where every person, everywhere can live with dignity and have their human rights realized.
