Tuesday, April 26 at 7:00 pm

Large Meeting Room at Bangs Canter

Wondering which way to go on zoning?

Do you wish you had a guide for all those letter combinations?

Do you have questions you want answered before you vote?

Come to the Zoning Q & A Forum

We will have an overview of zoning in general and hear about specifics of upcoming articles that will be decided at Spring Annual Town Meeting.

We welcome written & spoken questions before and during the forum. If you like, you can email questions ahead of time to townmeeting@amherstma.gov.

This is a Town Meeting Coordinating Committee & Planning Board event to inform Town Meeting members and the public about zoning.
