

Understanding the Stretch Code

Date: March 15, 2011
Time: 7:00 PM
Large Activity Room
Bangs Community Center
Boltwood Walk

Learn what the stretch code is, why it is a requirement of becoming a “Green Community,” and what the implications are for the Town of Amherst.

Join Jim Barry, Regional Coordinator of the Massachusetts Department of Energy Resources Green Communities Division, who will explain the stretch code requirement of the “Green Community” process.
