Wondering which way to go on zoning?

Do you wish you had a guide for all those letter combinations?

Do you have questions you want answered before you vote?

## Come to the Zoning Q & A Forum

Christine Brestrup will present an overview of the Zoning Bylaw in general and we will hear about specifics of upcoming articles to be decided at Town Meeting.

We welcome written & spoken questions before and during the forum. If you like, you can email questions ahead of time to

[townmeeting@amherstma.gov](mailto:townmeeting@amherstma.gov).

This is a Town Meeting Coordinating Committee & Planning Department event to inform Town Meeting members and the public about zoning.
