COMMUNITY PRESERVATION ACT COMMITTEE

COMMUNITY PRESERVATION ACT COMMITTEE (CPAC) REPORT TO ANNUAL TOWN MEETING APRIL 2018 RECOMMENDATIONS FOR FISCAL YEAR 2019

The Community Preservation Act Committee is pleased to present this report to Town Meeting. We have outlined below the expenditures that we are recommending this year. We reviewed proposals submitted by the various Town Boards, Committees and Departments as well as members of the public related to community housing, historic preservation, open space preservation and recreation. Many of these projects might never be accomplished with regular operating funds in the Town budget.

In Fiscal Year 2015 the voters approved an increase in the CPA surcharge to 3%. We all owe a debt of gratitude to the taxpayers for the importance that they have placed on community housing, preservation of historical resources, open space and recreation.

There is a projected \$1,672,089 available for the FY19 CPA budget including \$375,000 reserved for housing. This is based on estimated tax revenues yet to be received, along with the estimated State funds as new revenue and the remaining are estimated surplus and reserved funds. We are recommending a total of \$1,389,488 in expenditures of CPA funds.

Please note that on the last page of this packet, we have outlined the funds that have been returned to the CPA fund, either because projects were completed under budget, or because the project did not move forward due to some circumstance that was beyond the control of the CPA Committee. These funds are included in the total available for allocation.

The following report summarizes the proposals received and shows the CPA Committee votes on each request. Full project requests are available for review on the CPAC page of the Town's website at the following link: <https://www.amherstma.gov/3378/CPA-Proposals-FY2019>

Rationale

The CPA committee received many worthy proposals this year, and was able to recommend most of them. In allocating the Community Preservation Act funding, the Community Preservation Act Committee (CPAC) committed to:

- a) Projects broadly supported across committees, Town departments, and the public
- b) Meeting ongoing legal obligations, under the Community Preservation Act, cities and towns are required to spend a minimum of 10% of collected funds on each of the three following categories:

April 4, 2018

- Affordable Housing creation and support
 - Historic Building, Landscape & Resource acquisition and preservation
 - Open Space acquisition and preservation,
 - Per 2012 change to MGL Ch44B section 6, includes recreation land.
 - The remaining 70% may be directed toward any of the above three categories and Recreation.
- c) Contributing to addressing to the particularly urgent need for more affordable housing in Amherst
- d) Projects with specific achievable results in a timely manner

For FY2018 CPAC recommends an appropriation of \$1,389,488

<i>Category</i>	<i>Article #</i>	<i>\$ request</i>	<i>% total ** appropriation ¹</i>
Community Housing	8/12	\$ 800,929	58%
Historical Preservation	8/12	\$ 197,318	14%
Open Space	8/12	\$ 217,340	16%
Recreation	8/12	\$ 170,401	12%
Administration	12	\$ 3,500	0.3%
Total		\$ 1,389,488	100%

¹ Components are rounded.

² Article 8 refers to debt service as part of FY19 operating budget.

** This percentage represents total appropriations, not the 10% minimum allocation requirement on new revenues. The FY19 new revenue is estimated to be \$1,089,960.

PROJECT DETAILS:

DEBT SERVICE

Debt Service \$320,843 total (CPAC Vote: 6 - 0) – Debt Service is one of the functional areas that is separately voted. These debt obligations are the annual payments on previously approved projects and Town Meeting votes this portion of the CPAC allocations with the Town’s other debt payments. The CPAC portion will show up as a financing source for a total of \$303,408. These payments are obligated under previous votes of Town Meeting to authorize issuance of a bond to pay for the projects.

Town Hall Masonry payment represents year 9 of 10 associated with repairs to the exterior masonry of Amherst’s 1889 Town Hall.

Hawthorne Property payment represents year 8 of 10 for purchase of land for recreational and affordable housing purposes.

The Amherst Housing Authority payment represents year 7 of 10 for the rehabilitation of 22 existing affordable housing units in Amherst.

The South East Street Rock Farm payment represents year 5 of 10 for the purchase of Open Space. The Amherst Housing Authority payment represents year 5 of 10 to rehabilitate and preserve existing

April 4, 2018

affordable housing in Amherst.

The Rolling Green payment represents year 4 of 10 associated with preserving 41 affordable housing units with a permanent affordable housing restriction.

The Kieras Land Acquisition payment represents year 1 of 5 associated with preserving approx. 3 acres of land for agricultural purposes.

Rolling Green	\$157,600
Town Hall Masonry	\$23,738
Hawthorne Property	\$54,125
Amherst Housing Authority	\$38,500
So. East Street Rock Farm	\$ 6,840
Amherst Housing Authority II	\$12,540
Kieras Land Acquisition	<u>\$27,500</u>
	\$320,843

NEW FY19 PROJECTS

COMMUNITY HOUSING

Amherst Community Connections – Housing Stabilization Program, \$112,815

(CPAC Vote: 6 - 0 - 1) – This proposal seeks funds to provide three housing vouchers to chronically homeless Amherst residents over a three year period. The Housing Stabilization Program is designed for Amherst residents who have been chronically homeless for at least a year and have serious disabling conditions such that supportive housing services are required in order for them to remain housed. The goal of the program is for self-sufficiency.

Amherst Community Land Trust (ACLT) – First Time Home Buyer Assistance Program,

\$266,200 (CPAC Vote: 5 - 0 - 2) – This proposal seeks funds to acquire the land on which two low or middle income (LMI) first time home buyers will be able to buy homes in Amherst. ACLT will work with two LMI qualified buyers who meet credit worthiness and home ownership readiness standards to select and purchase houses in Amherst. By owning the land beneath the houses in perpetuity, ACLT will assure that the two properties always remain eligible for the Subsidized Housing Inventory.

Amherst Municipal Affordable Housing Trust (AMAHT) – Consulting Support, \$40,000

(CPAC Vote: 6 - 0) – This proposal seeks funds to support a development consultant to plan and oversee housing projects in conjunction with AMAHT members and Town Planning staff. This position would research funding opportunities and revenue sources for the Trust in an effort to begin fundraising and capitalization of the Trust.

Amherst Municipal Affordable Housing Trust (AMAHT) – Development Support, \$150,000

(CPAC Vote: 6 - 0 - 1) – This proposal seeks funds to be transferred to the AMAHT to support development of affordable housing. Transferring the funds requested into the Trust will allow the AMAHT to move quickly to support projects without holding up development plans for the CPA funding cycle. Reduced from \$500,000 requested

HISTORIC PRESERVATION

North Amherst Community Farm – Farm house preservation & rehabilitation, \$130,000 (CPAC Vote: 6 - 0) – This proposal seeks funds to preserve and rehabilitate the historic Ingram/Dickinson farmhouse at 1089 North Pleasant Street. The funding will be directed to the exterior repair and restoration of the historic farmhouse, erected circa 1833.

Amherst Historical Society – Textile Collection evaluation & care, \$13,580 (CPAC Vote: 6 - 0) – This proposal seeks funds to continue the specialized textile evaluation, identifying dates, materials and processes, storage recommendations and conservation priorities. There are still a number of collection categories yet to be assessed including men’s clothing, military uniforms, clothing for children and babies, and accessories and household textiles.

Amherst Historical Society – New Boiler, \$30,000 (CPAC Vote: 6 - 0) – This proposal seeks funds to replace the boiler at the Simeon Strong House. The house is currently heated by two different systems, one estimated to be over 70 years old. These funds would replace both systems and convert one of them to oil as well.

OPEN SPACE

Amherst Dog Park Task Force- Amherst Dog Park, \$90,000 (\$45,000 is Open Space, \$45,000 is Recreation) (CPAC Vote: 6 - 0) – This proposal seeks funds to build a Dog Park. The original proposal was for \$200,000 and included a possible property purchase. Since submitting the application the Task Force has identified Town owned land, an approx. 1.5 acre parcel at the old landfill along Old Belchertown Rd. The request funds a DEP reuse study, surveys and a 10% grant match as the park will likely be built utilizing a Stanton Foundation Grant that will pay 90% of the construction costs.

Town of Amherst- Epstein Property Acquisition, \$113,000 (CPAC Vote: 6 - 0) – This proposal seeks funds to preserve approx. 30.4 acres known as the Epstein Property located along Bay Road in South Amherst. The property includes one of the largest ponds in Amherst known as Epstein’s pond, connectivity to the Mt Holyoke Range and wetland, undeveloped woodland, and meadow habitat. The property abuts the Sweet Alice Conservation Area and will provide access to the Mt Holyoke Range State Park. The Town has been awarded a LAND grant from the State for \$195,000 towards the purchase of this property.

Town of Amherst- Conservation Due Diligence, \$25,000 (CPAC Vote: 6 - 0) – This proposal seeks funds for required appraisals, surveys and related studies and can often mean the difference between a land preservation project moving forward or not. Currently, the Conservation Dept. budget does not include funds for appraisals or any of the other due diligence costs. This funding is critical to get projects started and establish value.

RECREATION

Amherst Baseball, Inc- Mill River Baseball Fields, \$44,550 (CPAC Vote: 5 - 0 - 1) – This proposal seeks funds to complete the reconstruction of two baseball fields at Mill River. The reconstruction project went well but previously appropriated funds were not enough to complete the project. These

April 4, 2018

funds specifically seek to install the second shade structure on field #1 over the dug outs, remove and replace two unsafe batting cages, and install an irrigation system for the maintenance of the fields.

Town of Amherst- Mill River Basketball Courts, \$50,000 (CPAC Vote: 6 - 0) – This proposal seeks funds to resurface and refurbish the basketball courts at Mill River Recreation Area. The two courts are in extremely poor condition. The surface needs to be replaced, treated and sealed. Courts need to be relined and painted. Hoops structures are unstable and need to be removed, stabilized and reset in their foundations. All 4 backboards need to be replaced and finally, two new 8’ hoops will be installed to encourage more children and youth to utilize the facility. The improvements are part of an ongoing effort to modernize Mill River Recreation Area. Last year a \$50,000 appropriation was given but will not be sufficient as it was discovered the entire subsurface will need to be replaced in order to complete the job properly and make the courts last.

ADMINISTRATION

CPAC administrative expenses, \$3,500 (CPAC Vote: 6 - 0) – These funds will be used primarily to pay the annual membership dues to the Community Preservation Coalition, a statewide organization that represents the interests of CPA communities. These funds also pay for public meeting notices and other administrative costs.
