ATTN: Nathaniel Malloy
Amherst Planning Department
Amherst Town Hall, 2nd floor
4 Boltwood Avenue
Amherst, MA 01002

Introduction:

The Town of Amherst is eligible to apply to the Massachusetts Department of Housing and Community Development (DHCD) as a 2020 Mini-Entitlement community to receive HUD Community Development Block Grant (CDBG) funding for eligible activities that provide benefit to low- and moderate-income households living in Amherst—defined as earnings below 80% of the area median income (**Attachment1, income guidelines**). The Town is eligible to apply for up to \$825,000 in funding, of which a maximum of 20% (\$165,000) can fund social service activities. The CDBG Advisory Committee encourages applicants to contact Town staff prior to submission of applications. **All activities must be completed in 18 months (July 1, 2020 – December 31, 2021)**

After holding a public hearing on October 29, 2019 to receive input on the Community Priorities, the CDBG Advisory Committee determined that the social service priorities for 2020 are:

Community priorities for social services are to maintain a balanced approach among household (family and individual) stabilization, support services for those experiencing homelessness, youth development, services that help develop economic self-sufficiency (adult education & job training), food and nutrition programs, and low-cost accessible comprehensive health services/ insurance navigation and support services for seniors.

Submission Requirements:

All activities will be required to conform to the priorities above and found online on the CDBG Advisory Committee webpage: <https://www.amherstma.gov/1122/CDBG-Advisory-Committee>. The proposals can be submitted by various parties, including but not limited to a single individual (i.e. a developer), a Town board/ committee, or a non-profit organization. Those interested in making a funding request are encouraged to contact Town staff.

In order to receive funding, at least 51% of those receiving services must be residents of Amherst and qualify as low/moderate income (families with incomes below 80% of the area median income) as defined by federal HUD guidelines.

The applicant must demonstrate that the proposed project will be a new service, an expansion of an existing service or a continuation of a project presently funded with Mass. CDBG funds and demonstrate a community need. Public social service projects are eligible for CDBG assistance under Section 105(a)(8) of Title I of the Housing and Community Development Act of 1974, as amended, if such services have not been funded with local funds -- i.e., not funded by the municipality using locally raised funds or state funds that pass through the municipality – within the twelve-month period prior to the date of application. DHCD will fund public social service projects that are not provided by other state or federal agencies, or are provided but not available to CDBG-eligible residents in the applicant community.

DHCD will fund no more than five (5) public social service activities with each grant

award.

Applicants must answer all questions and submit all documents for the application to be complete. Responses must be in the format below and follow the submission requirements. Incomplete applications will be excluded from consideration.
