

~ 5 Key Questions ~
ALL require YES answers
for Solar Project to Proceed

Is the
old landfill
safe?

Would the old
landfill remain
safe with a solar
array there?

Will Town Meeting
authorize the
Town Manager to sign
contracts in excess of
3 years for this project?

Can the array be sited
to adequately
minimize impacts on
the neighborhood?

***Without YES to both Qs
above, the Qs in other
column won't even
be further pursued.***

Can a deal be
put together
that adequately
protects and
benefits the
Town?
