The original filing of the above-referenced campaign finance report is being amended for the following reason(s):

It was pointed out to us that we had entered a loan from the candidate on the Oct 25 report, but failed to show it in the year end report Dec 31, when it was converted to a contribution. In addition, I erroneously counted the balance remaining as partial repayment of the loan. This has been corrected on this amended form: the loan is converted to a contribution, and the balance reflects the amount in the campaign account at the end of the year.
